ACKNOWLEDGEMENT

I would like to express special thanks to my supervisor Dr. V. Ram Mohan, Professor (Retired), Department of Geology, University of Madras for his continuous encouragement and motivation in completing the research work. His exceptional guidance, advice and support on my career have been invaluable.

My sincere gratitude to Dr. S. Ramasamy, Professor and Head, Department of Geology, University of Madras for his constant encouragement, providing facilities and support to carry out this research work.

I would like to acknowledge Dr. S. P. Mohan, Professor and Head (Retired) Dr. S. M. Hussain, Associate Professor, Dr. M. Suresh Gandhi and Dr. P. Saravanan Assistant Professors Department of Geology, University of Madras, for their support during my candidature.

I would like to thank Doctoral Committee member, Dr. R. S. Kankara, Scientist-F, ICMAM-PD, for his brilliant comments, suggestions and support during this research work.

I would express my deep sense of gratitude to Dr. M. V. Ramana Murthy, Scientist-G, Project Director, National Institute of Ocean Technology (NIOT) who has been my mentor throughout the life.

I express my deep sense of gratitude to Dr. S. Srinivasalu, Director, Institute of Ocean Management (IOM), Anna University, for through insights of knowledge of the basis of geology.

My sincere thanks to Dr. B. R. Subramanian, former Director ICMAM-PD for the facilities of tsunami numerical modelling work. My sincere thanks to Dr. Tune Usha, Scientist-F, Dr. V. Ranga Rao, Scientist-E and Dr. Pravakar Mishra, Scientist-E, ICMAM-PD for their support during the work.

I would like to express my sincere thanks to my friends Dr. K. S. Divya Lakshmi and Dr. D. Gnanavel for their help during my work.
The work is the extend part of the MoES-DOD Project “Data Processing for Tamil Nadu Northern Districts for Mapping and Modelling” for the establishment of Early warning System for Tsunami and Storm Surges awarded to Dr. V. Ram Mohan, Professor, Department of Geology, University of Madras. The award of Senior Research Fellowship during the period (December 2006 to March 2009) by MoES-DOD is gratefully acknowledged.

I thank all the University Staffs, Authorities, Officers and others who are all helped directly and also indirectly.

My special thanks to my father Mr. R. Jeyagopal, my mother Mrs. V. Leela and my father-in-law Mr. M. Dinakaran and my mother-in-law Mrs. M. Nirmala and also all my other family members and friends for their support and encouragement.

I would like to thank my beloved wife Mrs. D. Shyamala Varthini for continuous support, and inspiration. I would like to thank my dear son S. Harshad for his cooperation and for always cheering me up.

Finally I thank God for letting me through all the difficulties.

SRIGANESH .J
