ACKNOWLEDGEMENT

A single flower cannot make a garland or a single star can not make the beautiful shiny sky at the night, same way a research work can never be outcome of a single individual’s talent or efforts. During my this journey from objective to goal, I have experienced shower of blessings, guidance and inspiration form my teachers, parents, friends, all my well wishers and my great God Lord Krishna who have give my this seafaring right direction and made it to achieve the goal. Although it is not possible for me to name and thank them all individually, I must make special mention of some of the personalities and acknowledge my sincere indebteness to them.

“Have infinite patience and success is yours” this is what Dr. H. M. Tank, M.Pharm., Ph.D., Principal at Matushree V. B. Manvar College of Pharmacy, Dumiyani, has enshowered on me. From the beginning of the work sir has been a source of inspiration, guidance and encouragement. Accurate, immanent and systematically planned working are really a precious tool to be succeed, which I have learned from him. He has become a ray of light that show me right path and lead me to achieve my goal. I am taking this opportunity to express my deepest gratitude to my esteemed guide and mentor Dr. H. M. Tank for his encouragement and guidance through the course of study. I am grateful for his timely attention, co-operation and for being a constant source of guidance and inspiration.

With my profound pleasure, I would like to thank Dr. N. R. Sheth, M.Pharm, Ph. D., L.L.B., D.B.M., Professor & Head,
Department of Pharmaceutical Sciences, Saurashtra University, Rajkot, for his inspiration and sustained interest and everlasting support throughout the course of this work.

For construction of any strong building, we need a strong foundation. That is why I would like to have opportunity to owe my thanks to my teachers who are building blocks in my career, Dr. N. R. Sheth, Dr. H. M. Tank, DR. K. R. Vadalia, and all respected teachers form B.K.Mody Govt.,Pharmacy Collage, Dr. B. N. Suhagia, Mr. D. D. Bhalara, Ms. Maya Shah, Dr. R. K. Goyal, Dr. M. C. Gohel and other respected teachers from L.M.Collage of Pharmacy for their precious gift of knowledge.

It was great pleasure for me to work with my colleagues. I would like to thank Dr. Shital Faldu, Snehalmadam, Jasminsir, Dr. Ramesh Parmar, Dr. Darshan Parekh for their ever lasting support and inspiration to complete this project.

I would like to acknowledge Arvindbhai, Rameshbhai and all nonteaching staff members of S. S. institute of pharmaceutical education and research, hadala, Rajkot for their support at each step of experimental work.

Though friendship is far from any formalities this account will be incomplete without mention of my friends Dr. Gayatri Patel, Dr. Bhoomika R. Goyal and Miss Jigna Vadaliya for continuous guidance, direction and everlasting support enabled me to complete this research work.
I acknowledge and dedicate my sincere gratitude towards Papa Vrajlalbhai, Mummy Shardaben, my husband Kamlesh, my son Geetansh, my brother Achyut, my parents-in-laws and my all family members for continuous prayers, inspiration and selfless help. My entire family members are the actual driving force that enabled me to reach this stage.

Above all I offer flowers of gratitude to almightily God who has been the source of strength throughout my life and always gives constant enlightenment to fulfill my duties. There are many others whose name flashes across my mind when I enlist those to whom I have been grateful in making this thesis a success. It would be rather impracticable to mention each of them separately, but I am conscious of my obligation and thank them collectively.
