

LIST OF TABLES

List of Tables	Pages
Table 1.1 Socio-economic-demographic and health characteristics of West Bengal and India	7
Table 2.1 Distribution of Percentage of Women by Type of Antenatal Care by States of India, 1998-99	53
Table 2.2 Percentage Distributions of Deliveries by Place and Assistance by States of India, 1998-99	54
Table 2.3 Distribution of Percentage of Children Who Received Vaccination by Type of Vaccine, Vitamin A, Iron and Folic Acid Tablets/Liquids by States of India, 1998-99	56
Table 2.4 Ranking of States of India according to Composite Index of Utilisation of Maternal and Child Health Care Services, 1998 – 99	57
Table 2.5 Distribution of Percentage of Women by Type of Antenatal Care by Districts of West Bengal, 1998-99	59
Table 2.6 Percentage Distribution of Deliveries by Place and Assistance by Districts of West Bengal, 1998-99	60
Table 2.7 Distribution of Percentage of Children Who Received Vaccination by Type of Vaccine, Vitamin A, Iron and Folic Acid Tablets/Liquids by Districts of West Bengal, 1998-99	61
Table 2.8 Ranking of Districts of West Bengal according to Composite Index of Utilisation of Maternal and Child Health Care Services, 1998 – 99	62
Table 2.9 Human Development Index of the Districts of West Bengal, 2004	65
Table 2.10 Composite Index of the Demographic and Developmental Indicators in the Districts of West Bengal, 1991	68
Table 2.11 Composite Index of the Demographic and Developmental Indicators in the Districts of West Bengal, 2001	69
Table 2.12 Composite Index of the Developmental Indicators in the CD Blocks of Hugli District, 1991	70
Table 2.13 Composite Index of the Developmental Indicators in the CD Blocks of Hugli District, 2001	71
Table 2.14 Composite Index of the Developmental Indicators in the CD Blocks of Murshidabad District, 1991	72
Table 2.15 Composite Index of the Developmental Indicators in the CD Blocks of Murshidabad District, 2001	73
Table 2.16 Surveyed Villages and Towns	77
Table 3.1 Scale of Financial Assistance (in Rs) under JSY Scheme	94
Table 3.2 Current National Immunisation Schedule including Schedule for Vitamin – A prophylaxis	97
Table 3.3 Milestones of Health Programmes	101
Table 3.4a The Health Infrastructure	112
Table 3.4b Suggested Norms for Health Personnel	113
Table 3.5 Medical Institutions in West Bengal: Hospitals/Health Centres under Department of Health and Family Welfare	125
Table 3.6 Gini's Coefficients	131
Table 3.7 Performance of MCH in West Bengal, 2007-08	150
Table 3.8 Some important indicators on Maternal deaths and Neo-natal deaths, West Bengal, 2007-08	151
Table 3.9 Achievements of Targets (in percentage) of Maternal and Child Health Care Activities, 2006 - 07	151
Table 3.10 Percent Distribution of Live Births by type of Medical Attention received by the mother at Delivery by Residence, 2006	152
Table 4.1 Distribution of percentage of women by utilisation of various MCH care services by states of India, 2002-04	155
Table 4.2 Distribution of percentage of women by utilisation of various MCH care services by districts of West Bengal, 2002-04	167
Table 4.3 Influence of socio-economic and demographic factors by proportions of women who have gone for ANC in West Bengal, 2002-04	169

List of Tables	Pages
Table 4.4 Influence of socio-economic and demographic factors by proportions of women with ANC coverage in West Bengal, 2002-04	173
Table 4.5 Logistic regression showing influence of socio-economic and demographic factors on ANC coverage in West Bengal, 2002-04	174
Table 4.6 Proportions of women by source of ANC in West Bengal, 2002-04	175
Table 4.7 Influence of socio-economic and demographic factors on place of seeking ANC in West Bengal, 2002-04	177
Table 4.8 Multinomial Logistic regression showing influence of socio-economic and demographic factors on place of seeking ANC in West Bengal, 2002-04	178
Table 4.9 Proportions of women by place of delivery in West Bengal, 2002-04	180
Table 4.10 Influence of socio-economic and demographic factors on place of delivery in West Bengal, 2002-04	181
Table 4.11 Multinomial Logistic regression showing influence of socio-economic and demographic factors on place of delivery in West Bengal, 2002-04	183
Table 4.12 Proportions of women by assistance during delivery in West Bengal, 2002-04	185
Table 4.13 Influence of socio-economic and demographic factors on assistance during delivery in West Bengal, 2002-04	186
Table 4.14 Multinomial Logistic regression showing influence of socio-economic and demographic factors on assistance during delivery in West Bengal, 2002-04	188
Table 4.15 Influence of socio-economic and demographic factors on incidence of pregnancy complications in West Bengal, 2002-04	190
Table 4.16 Influence of socio-economic and demographic factors on seeking treatment for pregnancy complications in West Bengal, 2002-04	192
Table 4.17 Proportions of women by source of treatment for pregnancy complications in West Bengal, 2002-04	194
Table 4.18 Influence of socio-economic and demographic factors on place of seeking treatment for pregnancy complications in West Bengal, 2002-04	195
Table 4.19 Multinomial Logistic regression showing influence of socio-economic and demographic factors on place of seeking treatment for pregnancy complications in West Bengal, 2002-04	196
Table 4.20 Influence of socio-economic and demographic factors on incidence of delivery complications in West Bengal, 2002-04	198
Table 4.21 Influence of socio-economic and demographic factors on incidence of post delivery complications in West Bengal, 2002-04	201
Table 4.22 Influence of socio-economic and demographic factors on seeking treatment for post delivery complications in West Bengal, 2002-04	204
Table 4.23 Proportions of women by source of treatment for post delivery complications in West Bengal, 2002-04	206
Table 4.24 Influence of socio-economic and demographic factors on place of seeking treatment for post delivery complications in West Bengal, 2002-04	207
Table 4.25 Multinomial Logistic regression showing influence of socio-economic and demographic factors on place of seeking treatment for post delivery complications in West Bengal, 2002-04	209
Table 4.26 Influence of socio-economic and demographic factors by proportions of women with their children's immunisation coverage in West Bengal, 2002-04	211
Table 4.27 Logistic regression showing influence of socio-economic and demographic factors on immunisation coverage of children by background characteristics of women in West Bengal, 2002-04	212
Table 4.28 Proportions of women by source of immunisation of their children in West Bengal, 2002-04	214
Table 4.29 Influence of socio-economic and demographic factors on place of immunisation of children by background characteristics of women in West Bengal, 2002-04	215
Table 4.30 Influence of socio-economic and demographic factors on coverage of Vitamin A and IFA tablets/liquid among children by background characteristics of women in West Bengal, 2002-04	217

List of Tables	Pages
Table 4.31 Influence of socio-economic and demographic factors on incidence of Diarrhoea among children by background characteristics of women in West Bengal, 2002-04	219
Table 4.32 Influence of socio-economic and demographic factors on treatment seeking for Diarrhoea among children by background characteristics of women in West Bengal, 2002-04	221
Table 4.33 Logistic regression showing influence of socio-economic and demographic factors on treatment seeking for Diarrhoea among children by background characteristics of women in West Bengal, 2002-04	223
Table 4.34 Proportions of women by source of treatment for Diarrhoea among children in West Bengal, 2002-04	224
Table 4.35 Influence of socio-economic and demographic factors on place of seeking treatment for Diarrhoea among children by background characteristics of women in West Bengal, 2002-04	225
Table 4.36 Influence of socio-economic and demographic factors on incidence of Pneumonia among children by background characteristics of women in West Bengal, 2002-04	227
Table 4.37 Influence of socio-economic and demographic factors on treatment seeking for Pneumonia among children by background characteristics of women in West Bengal, 2002-04	229
Table 4.38 Proportions of women by source of treatment for Pneumonia among children in West Bengal, 2002-04	230
Table 4.39 Influence of socio-economic and demographic factors on place of seeking treatment for Pneumonia among children by background characteristics of women in West Bengal, 2002-04	232
Table 4.40 Utilisation of Maternal and Child Health Care Services in India and West Bengal, NFHS 3 (2005-06)	245
Table 4.41 Utilisation of Maternal and Child Health Care Services in West Bengal, DLHS (RCH-RHS) 3 (2007-08)	246
Table 5.1 Influence of socio-economic and demographic factors by proportions of women who have gone for ANC in Hugli and Murshidabad, 2002-04	249
Table 5.2 Influence of socio-economic and demographic factors by proportions of women with ANC coverage in Hugli and Murshidabad, 2002-04	252
Table 5.3 Proportions of women by source of ANC in Hugli and Murshidabad, 2002-04	253
Table 5.4 Influence of socio-economic and demographic factors on place of seeking ANC in Hugli and Murshidabad, 2002-04	254
Table 5.5 Proportions of women by place of delivery in Hugli and Murshidabad, 2002-04	255
Table 5.6 Influence of socio-economic and demographic factors on place of delivery in Hugli and Murshidabad, 2002-04	257
Table 5.7 Proportions of women by assistance during delivery in Hugli and Murshidabad, 2002-04	258
Table 5.8 Influence of socio-economic and demographic factors on assistance during delivery in Hugli and Murshidabad, 2002-04	259
Table 5.9 Influence of socio-economic and demographic factors on incidence of pregnancy complications in Hugli and Murshidabad, 2002-04	261
Table 5.10 Influence of socio-economic and demographic factors on seeking treatment for pregnancy complications in Hugli and Murshidabad, 2002-04	263
Table 5.11 Proportions of women by source of treatment for pregnancy complications in Hugli and Murshidabad, 2002-04	264
Table 5.12 Influence of socio-economic and demographic factors on incidence of delivery complications in Hugli and Murshidabad, 2002-04	265
Table 5.13 Influence of socio-economic and demographic factors on incidence of post delivery complications in Hugli and Murshidabad, 2002-04	267
Table 5.14 Influence of socio-economic and demographic factors on seeking treatment for post delivery complications in Hugli and Murshidabad, 2002-04	270
Table 5.15 Proportions of women by source of treatment for post delivery complications in Hugli and Murshidabad, 2002-04	271
Table 5.16 Influence of socio-economic and demographic factors by proportions of women with their children's immunisation coverage in Hugli and Murshidabad, 2002-04	273

List of Tables	Pages
