### SUPERVISOR'S CERTIFICATE

This is to certify that the thesis entitled "Aerobiological Survey of Pollen Grains and Fungal Spores" represents the bonafide work of Mr. Akhilesh Kumar Pateria, Junior Research Fellow, Department of Botany, University of Saugar, Saugar (M.P.). He has worked under my guidance and supervision and has put in more than the requisite minimum period of attendance required under para 8 of the Ph.D. Ordinance of the University. In my opinion the thesis fulfils the requirements of ordinance relating to the Ph.D. degree of University of Saugar. I have pleasure in recommending the work for the degree of 'Doctor of Philosophy' of the University of Saugar.
