Along the journey of my study, I have been encouraged, supported and inspired by kind people around me.

First and foremost, praises and thanks to the God, the Almighty, for his showers of blessings and giving me the strength and patience to work throughout for completing my research work successfully.

I would like to express my deep and sincere gratitude to my research supervisor, Dr. Vijay Veer, Sc. ‘G’ & Former Director, DRL, Tezpur, Assam, for giving me the opportunity to do research and providing invaluable guidance throughout this research. His dynamism, vision, sincerity and motivation have deeply inspired me. It was a great privilege and honor to work and study under his guidance. I am extremely grateful for what he has offered to me. I would also like to thank him for his friendly behaviour, empathy, and great sense of humor. I would like to say a very big thanks to my Co-supervisor Dr Sameer Bhagyawant, Co-coordinator, SOS Biotechnology, Jiwaji University, Gwalior, for all his support, encouragement, constructive criticism and personal guidance have provided a good basis for the present thesis. Without his guidance and constant support this work would not have been achievable.

I am highly indebted to Dr. P. S. Raju, Director, DRL, Tezpur, Assam, for his valuable suggestions, constant encouragement and providing such a great laboratory set up.
I especially want to thank Mr. Ashok Naglot Sc. ‘D’, who imparted me adequate impetus to work with ease in congenial and conductive environment and for support in completion of my thesis.

I would like to thank Dr. H. K. Gogoi Sc. ‘F’ & Additional Director, DRL, Tezpur and Dr. P Chattopadhyay Sc. ‘E’, Head, Pharmaceuticals Division, DRL, Tezpur for providing their valuable suggestions and support during the course of work. My appreciation likewise extends to Dr. Vanlal Hmuaka Sc. ‘D’, Dr. S. N. Datta Sc. ‘D’, Mr. Ajitab Bora Sc. ‘C’, and Mrs. Shewali Goswami TO ‘C’, Mr. I Rahman TO ‘C’, who supported me in various stages of my research and thesis preparation in various capacities.

I also owe a huge debt of gratitude to Dr. M. J. Mendki Sc. ‘E’ NMRL, Ambernath, Maharashtra and Kshitij Chandel TO ‘A’ DRDE, Gwalior for actively taking interest in my work and time to time providing their guidance in accomplishment of various tasks.

I am also very grateful to staff of Entomology Division, DRL, Tezpur to providing the laboratory facilities for samples culturing. Very special thanks go to Dr. Diganta Goswami TO ‘A’, Dr. Bipul Rabha TO ‘B’ and Dr. Varun Tyagi ‘RA’, for their invaluable advice and feedback on my research and for always being so supportive of my work.

My thanks also go out to the staff of DRL, Tezpur specially, Aatma Prakesh, Amit Agnihotri, Chadan Kumar, Vijay Pal, Arpan Sarkar, Ranjeet Patel, Sunil Kumr Yadav and Rinki Ghosh
