

## ACKNOWLEDGEMENT

The author sincerely wishes to express his deep sense of gratitude to his thesis-guide Dr. Swapan Kumar Goswami, Professor, Electrical Engineering Department, Jadavpur University of his valuable advices and guidance, constant helps, friendly supports and encouragements all throughout the period of carrying out the research for successful completion of the same in its present form.

The author takes the privilege of thanking Prof. P. K. Chattopadhyay, Head of the Electrical Engineering Department and other respected teachers of Electrical Engineering Department, Jadavpur University for their valuable suggestions and encouragements. The author also likes to thank the fellow researchers and sincere staff of Electrical Engineering Department, J.U. who contributed directly or indirectly to this research work. The author wants to convey his gratitude and thanks to the staff of B.P. Poddar Institute of Management and Technology & MCKV Institute of Engineering for providing facilities and constant support during his research work.

The author sincerely acknowledges the massive enthusiasm and untiring support provided by his wife, Jayeeta Acharjee and last but not the least his only son, Rishab Acharjee.
