ACKNOWLEDGEMENT

It is difficult to overstate my gratitude to my research supervisor Dr. K. Ravindra Reddy, Principal and Professor, PRRM College of Pharmacy, Kadapa, YSR district, Andhra Pradesh, India, for his enthusiastic and inspiring guidance, sound voice, good teaching and for many insightful conversations, lots of good ideas and great efforts to explain things clearly and simple manner helped me in carrying out this research study successfully. His indispensable and constant encouragement always motivated me to put maximum effort which enabled me to complete the research project in stipulated time.

I am grateful to my co-supervisor and source of inspiration Dr. K. N. Jayaveera, Professor of Chemistry, Director, Research and Development, VEMU Institute of Technology, P. Kothakota, Chittoor district, Andhra Pradesh, India for his round the clock help, valuable wisdom, excellent suggestions and constant encouragement during my study.

It is heartfelt thanks to Management CMR college of Pharmacy, Hyderabad, Telangana for providing me support with necessary facilities and words of encouragement.

I thank University Grant Commission (UGC), New Delhi for financial support for successful completion of my research study.

I am immensely thankful to Dr. V. Uma Maheswara Rao, Dr. K. Abbulu, Dr. D.V.R.N. Bhikshapathi, Dr. T. Rama Mohan Reddy, Dr. Vijay R chidrawar, Dr. Sharada Srikanth, Dr. Vishnu and Mrs. Hima bindu for their constant encouragement and suggestions.

I am very much thankful to Mrs. M. Sushma, Mrs. K. Chandana, Mr. R. Raghuveer, Mr. V. V. Rajesham, Mr. Ch. Raju and Ms. Kausar Fatima for their constant support for successful completion of the study.

I would like to thank all my colleagues, non-teaching staff, Library staff and students who helped me in one or the other way for my research.

I am deeply obliged to Dr. N. Harishankar, and Mrs. M. Sailaja Naidu, NCLAS, NIN, Hyderabad for helping in performing bone parameter studies.
I cordially thank to Mr. P. Raghuveer Yadav, Technical Officer, IIT, Gauhati, Assam and Mr. B. Kishore Kumar Reddy, Assistant Professor, OTPRI, JNTUA, Ananthapuramu, Andhra Pradesh for their constant encouragement and support throughout the period of research.

I thank to my best friends Mr. S. Ravi Chandra, Mr. D. Siva Kumar, Mr. D. Aravind, Mr. A. Naresh, Mr. K. Arjun Kumar and Mr. K. Jaya Simha for enduring some their best efforts, for always finding the ways to give confidence and sustain.

I express my deep appreciation to each and every person who helped me while carrying out this study directly or indirectly.

I owe my deepest regards to my family for constant encouragement and love provided impetus to achieve my goals.

Last but not a least, the innocent creature of inbreed albino rats for sacrificing their valuable life for saving few lives. May their soul pardon me for my unkind act to them.

Finally, I pay my devoted thanks to the Almighty God for giving me the strength and the favorable circumstances to make this accomplishment.

M. RAGHAVENDRA
