First and foremost, I owe my deep debt of heartfelt gratitude to my teacher and research supervisor Prof. K. Chowdoi Rao, Head, UGC SAP Co-ordinator, and Chairman BOS, Department of Polymer Science & Technology and Dean UGC Affairs. For giving me an opportunity to work under his guidance, for his support, and encouragement throughout my study and he has also guided my personal development and maturation as an independent, confident, and strong researcher, something I never could have learned from a book. I am extremely lucky to work with such a high-profiled person. His guidance was the next best thing to knowledge, which I will cherish throughout my life. He is truly a source of inspiration to pursue a research-oriented career.
