

ACKNOWLEDGEMENTS

At the outset, I would like to express my deep and sincere humble gratitude to my research supervisor, **Prof. M.N. Giri Prasad**, Professor of Electronics and Communication Engineering Department, JNTUA College of Engineering, Ananthapuramu. His extensive knowledge and logical way of thinking have been great value for me in the preparation of thesis.

I would like to thank the Management of Nagarjuna College of Engineering & Technology, The Principal Dr. S.G. Gopala Krishna and Dr. K.N. Nagesh, Head of the department of ECE for their continuous support and encouragement.

I am thankful to Prof. K. Rama Naidu, Director of Evaluation, Prof. S.V. Satyanarayana, Director of Research & Development and their staff for their valuable support.

I extend my deep sense of gratitude for the encouragement and support by the teaching staff of Electronics and Communication Engineering Department, JNTUA College of Engineering, Ananthapuramu.

I take this opportunity to sincerely thank my family for their support, love and encouragement.

Finally, I would like to extend my sincere thanks to all nonteaching staff, friends and colleagues for their assistance and continued support and all those who helped me directly or indirectly during the course of work.
