ACKNOWLEDGEMENT

It is a great pleasure for me to sincerely thank my research supervisor Dr. Arun Mohanty for supervising this work.

I am deeply indebted to Prof. Anuradha M. Chenoy for consistent guidance and sparing her valuable time for discussions on the subject which helped me a lot in clearing my perceptions of the key trends in Putin’s Foreign Policy against the backdrop of the growing importance of Russia as the world’s leading energy producer.

I am also grateful to Prof. Tulsi Ram, Prof. Ajai Patnaik, Dr. Gulshan Sachdeva and Dr Sanjay Kumar Pandey for their valuable suggestions and encouragement throughout the study.

I am thankful to the library staff of J.N.U., I.D.S.A., Teen Murthi, Indian Institute of Foreign Trade and American Centre Library for their kind help and cooperation.

I am highly obliged to my family members and friends for their constant support. I also convey thanks to my wife and children Akshhita and Kartikay for their cooperation.
