ACKNOWLEDGEMENTS

I am indebted to a number of persons, who have helped me in the successful completion of the study. It would be impossible to recount here all the persons to whom I am indebted, but I should like to acknowledge special appreciation to the following.

I take this opportunity to express my gratitude to Dr. (Mrs.) Vasantha Ramkumar, Reader, Department of Education, University of Kerala, whose thoughtful suggestions and inspiring guidance and supervision have been of immeasurable help in the successful completion of this study.

I wish to thank Dr. N. Vedamani Manuel, Professor & Head of the Department of Education, University of Kerala, for his valuable help and inspiration in conducting the study.

I am grateful to Dr. Ramkumar, Professor of Demography, University of Kerala for his major assistance in analyzing statistical computations.

I am indebted to Mr. K. Kalyana Raman, Lecturer, Department of Statistics, University of Kerala, for the valuable help and cooperation that he has rendered in the preparation of necessary programmes for computer analysis.

I am also grateful to Mrs. Molly Mathew, Librarian, Department of Education, University of Kerala, for her special service in locating books and literature.

I am deeply indebted to my friends and colleagues without whose assistance and co-operation, the study would not have been completed.
