ACKNOWLEDGEMENT

Thou hast made me known to friends whom I knew not.

Thou hast given me seats in homes not my own.

Thou hast brought the distance near and made a brother of the stranger.

-Rabindranāth Tagore (Old and New)

The above couplet accurately describes my feeling as I take this opportunity to express my gratitude to all those who have carved their niche on my mind and in my heart on my path towards the unknown.

Foremost, I want to offer my gratitude to my Guide, Dr. Neerā Grover for putting her faith in me and my subject. She has been very kind to give continuous encouragement and liberty to explore. She bolstered my morale whenever I was shaken and showed me correct path being my real support.

The word grateful falls short when it comes to them …

This Research work would not have been possible without the blessings of my Grandfather and Guru Late. Pt. Shantaram Vishnu Kashalkar.
