ACKNOWLEDGEMENT

I wish to express my gratitude to my supervisor and guide Dr. R. Ramakrishnan, M.Sc., Ph.D., MAE, Scientist – G, National Institute of Epidemiology, Ayapakkam, Chennai, for his encouragement and guidance during the course of my research. I am indebted to him for his help and guidance rendered right from the beginning making the period of my research work a good learning experience.

I would like to express my gratitude to the University of Madras and National Institute of Epidemiology, Chennai for offering me the opportunity to pursue the Ph.D Programme.

I am grateful to Dr. Sanjay Mehendale M.B.B.S., M.D., M.P.H., Director, National Institute of Epidemiology, Chennai for permitting me to do Ph.D at the Institute.

I would like to acknowledge and thank Dr. Gupte, MD, DPH, Former Director, National Institute of Epidemiology, Chennai for granting permission to utilize the dataset for my research.

I thank my Doctoral Committee members Dr. R. Chandara Sekaran, Dr. Bala Srinivasan, Department of Statistics, Madras Christian College, Chennai and Dr. J. Jothikumar, SRM Univeristy, Chennai, for their encouragements, helpful suggestions and support.

I render my gratitude to Mr. K. Kanagasabai, Technical Officer – A, National Institute of Epidemiology, Chennai for providing and elucidating the details of LVT (Leprosy vaccination trail) dataset.

I take this opportunity to thank Mr. V. N. Mahalingam, Technical Officer –A, National Institute of Epidemiology, Chennai, who helped me to understand the background and the process of LVT.

I am pleased to convey my thanks to Mr. L. Sundaramoorthy, Technical
Officer – A, National Institute of Epidemiology, Chennai, for his valuable suggestions for the improvement of my thesis.

I am grateful to Dr. P. Manickam, Scientist D, National Institute of Epidemiology and Mr. S. Satish Asst. Library & Information Officer, National Institute of Epidemiology, Chennai for their support and encouragement of my research.

I would like to thank Mrs. Swarnalatha Ramakrishnan and their family members for their support and mentoring throughout the period of my research.

I am extremely grateful to Dr. Venkataraman, Vice President, Training and Education, India Cements Ltd and Dr. R. Gayathri, Principal, T. S. Narayanaswami college of Arts and Science, Navalur, Chennai for their encouragement and moral support.

I would like to thank Prof. S. R. Vanitha, for patiently editing my thesis. I also thank my peer research scholar Dr. B. Senthilkumar, my colleagues Prof. Elizabeth sangeetha, T. Prof. S. Bhuwanedra Bose, Prof. V. Gayathri and Prof. S. Kalyani for their constructive and cheerful suggestions.

I would like to express my gratitude to my husband Mr. S. Sivakumar, my affectionate sons S.V. Bharathi mithran and S. V. Ilananthan, all my family members and friends for their sincere help. Heartfelt thanks to all those helped me in my research work.

A.Venmani
