ACKNOWLEDGEMENT

I sincerely express my deep sense of gratitude and heartfelt thanks to Dr. N. Kannan, M.Sc., Ph.D., Associate Professor, Department of Chemistry (P.G), Ayya Nadar Janaki Ammal College (Autonomous), Sivakasi and Dr. P. Subramaniam, M.Sc.,Ph.D., Head & Associate Professor in Chemistry, Aditanar College of Arts and Science, Tirchendur for their proper direction in selecting the problem, invaluable and eminent suggestion, scholarly guidance, perpetual interest, timely help and constant encouragement throughout the course of this investigation.

I am highly thankful to the Management and Dr.V.Gopalakrishnan, M.Com., Ph.D., Principal and Dr. P. Selvaraj, MBA., Ph.D., former Principal of Aditanar College of Arts and Science, Tirchendur, for permitting me to carry out part-time Ph.D. research work, providing all the necessary research facilities and help and encouragement throughout my career and studies.

A special thanks is noted to Dr. M. Meenakshi Sundaram and Dr. P. Velusamy, Ayya Nadar Janaki Ammal College, Sivakasi, for their help and encouragement. I record my sincere thanks to Dr. G. Baskaran, Associate professor in Department of English, VHNSN College, Virudhunagar for his valuable suggestion during the entire dissertation work.

I extend my sincere to Dr. M. Kumaravel, Associa Professor, Department of Chemistry, PSG College of Technology, Coimbatore, Dr. R. Soundrarajan, Professor Madurai Kamaraj University, Madurai for their encouragement, support and timely help in the successful completion of this study. I express my sincere thanks to Mr. A. Murali, Senior Research Fellow, IIT Chennai for his timely help during the literature collection.

I record my sincere thanks to Dr. P.K. Ganesan, M.Sc., Ph.D., Head of the Department of P.G Chemistry, Aditanar college of Arts and Science, Tiruchendur for this valuable suggestion and help. I thank all my Research colleagues, Staff members, Lab technicians, Assistants, Librarian of Aditanar College of Arts and Science and friends for their continuous support and timely help in the successful completion of this study.
I extend my sincere thanks to **Dr. T. Veeumaraj, Mr. J. Rejinis, Mr. S. Pitchaimuthu, Mr. P. Muthuirulan** and all the Research Scholars Department of Chemistry, Ayya Nadar Janaki Ammal College, Sivakasi for their timely help.

On a personal note, I record my sincere thanks to my brothers and all the family members for helping me in various ways and for putting up with lot of inconveniences. I thank all my PG and MPhil project students of PG Department of Chemistry, Aditanar college of Arts and Science, Tiruchendur for their valuable help during the collection of various tree leaf materials.

Finally, I express my heartfelt thanks to a host of others unnamed and not specified here, yet, whose timely help, assistance, support and encouragement have been very useful to me in-many ways and means in completing my research work.
