ACKNOWLEDGEMENTS

In an attempt to thank all those who helped me throughout my stay in CCMB, I would first like to express my sincere thanks and gratitude to my guide, Dr Veena K Parnaik, for her valuable guidance, understanding nature, patience and ignoring many of my shortcomings. I am thankful to her for correcting my thesis, because of which I was able to submit the thesis in time.

I would like to express my gratitude to Dr Lalji Singh, Director of CCMB, for giving me an opportunity to work in CCMB. I acknowledge the Council of Scientific and Industrial Research (CSIR) for providing me financial support during my Ph.D.

My sincere thanks to Mr Muralikrishna for teaching me basics of cell biology. I would also like to thank Mr Thanu for helping me in his own way.

I thank the tissue culture facility staff for their maintenance and support, which made my work go faster.

I would like to thank the Photography Section, especially, Mr Rehman, for providing me with high quality photographic prints.

I also thank the Instrumentation Group for helping me with the instruments. My thanks are also due to Ms Meher Sultana for synthesizing high quality oligonucleotides.

I thank Mr Giridharan and Mr Nageshwar Rao of Digital Imaging Section for their help during the poster and thesis preparation.

I thank Mr N Nagesh, Mr Bhaskar and Mr Suryanarayana for sequencing of my DNA samples.

I thank Mr Mohan Kumar for typing my thesis and Mr Prakash for helping me in taking photocopies. I thank Mr Vidyasagar for clean maintenance of labwares.

I would also like to thank the Transport Section, Reception, Despatch, Canteen Staff and Fine Biochemicals Section. Especially, I would like to express my gratitude to Mr Kishore Joshi, who always went out of his way to dig out long lost, urgently required chemicals.

My thanks to KT for helping me at critical times.

I would also like to thank my other laboratory members, Mr Gurudatta, Ms Indu, Ms Maithreyi, Ms Manju, Ms Ritika, Mr Pankaj and my seniors, Ms Bhavana Tiwari (BT), Ms Puneeta Arora and Mr Kumaran for providing a good and friendly atmosphere in the laboratory and for helping me in many ways.
I would like to thank Mr Subhash, Mr Nishant, Mr Vijay, Mr Rajanna, Mr Nag, Mr Sudhakar, Ms Preeti and Ms Madhavi for being good floor mates.

I would like to express my gratitude to Dr Ghanshyam Swarup, Dr Rakesh Mishra for helping me in many aspects.

I have been blessed with many friends like Ms Pushpa, who was always there for helping me in all possible ways and improving my scientific knowledge through discussions.
