Acknowledgement

This section is perhaps the most difficult to write as I have hardly any verifiable fact(s) which generally accompanies any act or statement, and hence flows as the sentences frequent my mind. I will, like to take this opportunity to thank all those whose direct or indirect efforts helped me to reach here.

I will always be thankful to Dr. Vijay Kumar for his support, motivation and for granting absolute independence to me for conducting this work which otherwise may not have been possible.

I am also thankful to Drs. S. Jameel, S.K. Lal, K.V.S. Rao for extending their help during the course of this study.

I am also thankful to Prof. V.S. Chauhan, Director, ICGEB for his encouragement.

Ravinderji, Kedarji, Zavedbhai, Tenzin and Purnima deserve special thanks for their help. This acknowledgement will remain incomplete without Milan, Anuja, Rabi and Vaibhao’s name who were always there to help me out. I am also thankful to all other colleagues in ICGEB, but special thanks goes to - Dharmendra, Sandip, Moin, Manish, Dhiraj, Dinesh, Ruchi, Suchita, Kartik and Kulbhushan for their support.

Last but not the least I am also thankful to my family members for their support and love.
