LIST OF FIGURES

Figure 4.1: Trends in the proportion of regular/wage salaried employees per 1000 Workers in usual status (ps+ss)

Figure 4.2: Measure of the Rural Male-Female Gap in LFPR for the 50th (1993-94), 55th (1999-2000), 61st (2004-05), 66th (2009-10) and 68th (2011-12) NSS Rounds according to all four employment statuses

Figure 4.3: Measure of the Urban Male-Female Gap in LFPR for the 50th (1993-94), 55th (1999-2000), 61st (2004-05), 66th (2009-10) and 68th (2011-12) NSS Rounds according to all four employment statuses

Figure 4.4: Gender Gap in Rural and Urban Labour Force Participation for the 50th (1993-94), 55th (1999-2000), 61st (2004-05), 66th (2009-10) and 68th (2011-12) NSS Rounds according to all four employment statuses

Figure 4.5: Gender Gap in Rural and Urban Work Force Participation for the 50th (1993-94), 55th (1999-2000), 61st (2004-05), 66th (2009-10) and 68th (2011-12) NSS Rounds according to all four employment statuses

Figure 4.6: Measure of the Rural Male-Female Gap in WFPR for the 50th (1993-94), 55th (1999-2000), 61st (2004-05), 66th (2009-10) and 68th (2011-12) NSS Rounds according to all four employment statuses

Figure 4.7: Measure of the Urban Male-Female Gap in WFPR for the 50th (1993-94), 55th (1999-2000), 61st (2004-05), 66th (2009-10) and 68th (2011-12) NSS Rounds according to all four employment statuses

Figure 4.8: Trend in rural female work force participation during 1993-94 to 2011-12

Figure 4.9: Trend in urban female work force participation during (1993-94 to 2011-12)

Figure 4.10: Trend in rural male work force participation during (1993-94 to 2011-12)
Figure 4.11: Trend in urban male work force participation during (1993-94 to 2011-12)

Figure 5.1: Rural variation in LFPR on the basis of usual status (ps) for 2004-05 (61st round), across states and u.ts

Figure 5.2: Rural variation in LFPR on the basis of usual status (ps+ss) for 2004-05 (61st round), Across states and u.ts

Figure 5.3: Urban variation in LFPR on the basis of usual status (ps) for 2004-05 (61st round), Across states and u.ts

Figure 5.4: Urban variation in LFPR on the basis of usual status (ps) for 2004-05 (61st round), Across states and u.ts

Figure 5.5: Rural variation in LFPR on the basis of current status (weekly) for 2004-05 (61st round), Across states and u.ts

Figure 5.6: Rural variation in LFPR on the basis of current status (daily) for 2004-05 (61st round), Across states and u.ts

Figure 5.7: Urban variation in LFPR on the basis of current status (weekly) for 2004-05 (61st round), Across states and u.ts

Figure 5.8: Urban variation in LFPR on the basis of current status (daily) for 2004-05 (61st round), Across states and u.ts

Figure 5.9: Rural variation in WFPR on the basis of usual status (ps) for 2004-05 (61st round), Across states and u.ts

Figure 5.10: Rural variation in WFPR on the basis of usual status (ps+ss) for 2004-05 (61st round), Across states and u.ts

Figure 5.11: Urban variation in WFPR on the basis of usual status (ps) for 2004-05 (61st round), Across states and u.ts

Figure 5.12: Urban variation in WFPR on the basis of usual status (ps+ss) for 2004-05 (61st round), Across states and u.ts

Fig 5.13: Rural variation in WFPR on the basis of current weekly status for 2004-05 (61st round), Across states and u.ts
Figure 5.14: Rural variation in WFPR on the basis of current daily status for 2004-05 (61st round), Across states and u.ts

Figure 5.15: Urban variation in WFPR on the basis of current weekly status for 2004-05 (61st round), Across states and u.ts

Figure 5.16: Urban variation in WFPR on the basis of current daily status for 2004-05 (61st round), Across states and u.ts

Figure 5.17: Rural variation in LFPR on the basis of usual status (ps) for 2011-12 (68th round), Across states and u.ts

Figure 5.18: Rural variation in LFPR on the basis of usual status (ps+ss) for 2011-12 (68th round), Across states and u.ts

Figure 5.19: Rural variation in LFPR on the basis of current weekly status for 2011-12 (68th round), Across states and u.ts

Figure 5.20: Rural variation in LFPR on the basis of current daily status for 2011-12 (68th round), Across states and u.ts

Figure 5.21: Urban variation in LFPR on the basis of usual status for 2011-12 (68th round), Across states and u.ts

Figure 5.22: Urban variation in LFPR on the basis of usual status(ps+ss) for 2011-12 (68th round), Across states and u.ts

Figure 5.23: Urban variation in LFPR on the basis of current weekly status for 2011-12 (68th round), Across states and u.ts

Figure 5.24: Urban variation in LFPR on the basis of current daily status for 2011-12 (68th round), Across states and u.ts

Figure 5.25: Rural variation in WFPR on the basis of usual status (ps) for 2011-12 (68th round), Across states and u.ts Figure 5.26: Rural variation in WFPR on the basis of usual status (ps+ss) for 2011-12(68th round), across states

Figure 5.27: Rural variation in WFPR on the basis of current weekly status for 2011-12(68th round), Across states and u.ts

Figure 5.28: Rural variation in WFPR on the basis of current daily status for 2011-12(68th round), Across states and u.ts
Figure 5.29: Urban variation in WFPR on the basis of usual status (ps) for 2011-12 (68th round), Across states and u.ts

Figure 5.30: Urban variation in WFPR on the basis of usual status (ps+ss) for 2011-12 (68th round), Across states and u.ts

Figure 5.31: Urban variation in WFPR on the basis of current weekly status for 2011-12 (68th round), Across states and u.ts

Figure 5.32: Urban variation in WFPR on the basis of current daily status for 2011-12 (68th round), Across states and u.ts

Figure 6.1: Flowchart showing the determinants of female labour force participation for the year 2011-12 (68th round) at a glance

Figure 6.2: Significant determinants of female labour force participation for the different land-ownership classes

Figure 8.1: Trend in female employment across land ownership classes

Figure 8.2: Percentage share of women workers across Socio-Religious Groups

Figure 9.1: Percentage Share of Women workers belonging to different land-ownership classes taking part in Paid and Unpaid work

Figure 9.2: All India Regional Variation in work participation pattern of female workers (share of paid work and unpaid work)

Figure 9.3: Percentage Share of women workers belonging to different socio-religious groups in Paid and Unpaid work
