ACKNOWLEDGEMENTS

I would like to express my deepest appreciation and sincere gratitude to my mentor and supervisor Dr. Sudhir Sinha, Scientist In-Charge, Drug Target Discovery and Development Division, Central Drug Research Institute, Lucknow who has the attitude and substance of genius. His diligent and diametric thinking has been great value for me. I cherished his friendship, encouragement, personal and professional advice over last five years.

I sincerely thank Dr. C. M. Gupta, Director CDRI, Lucknow for his critical guidance, and providing me with excellent facilities to pursue my research work, and for ensuring financial support throughout my studies.

I sincerely thank Council of Scientific and Industrial Research, India, for providing me Senior Research Fellowship during the course of Ph. D.

Very special thanks to all my lab colleagues, Mr. Ajay Verma, Dr. Kavita Singh, Mr. Shyam Singh, Dr Jayanta Sarkar and Dr. Shalini Bhatnagar. All of them were extremely supportive and helped me all the way in carrying out my thesis work. Without their help, it would have been enormous task for me to complete this work on time.

I always enjoyed love and affection of my colleagues Drs. Anil Srivastava, Vinita Chaturvedi, Y. K. Manju, Uday Bandyopadhyay, Charu sharma and Neeloo Singh. All of them have unconditionally helped me, at all the time I required their help.

I am also thankful to Dr. J. K Saxena, Dr. U. Roy, Dr. A. Srivastava, Dr. Neena Goyal, Dr. Anju Puri and Dr. S. M. Kaul for their constant help and support during the tenure of my thesis.

I wish to extend my warmest thanks to all my close friends Viany, Amogh, Parvez and Satyawan for making my life at CDRI wonderful and memorable. All of them have helped me by boosting my morale at the difficult times.

I am very much thankful to my friends Devesh, Vijay, Phillip, Pallab, Ravi, Ramesh and Kalyan for ever-enjoying sessions, scientific discussions, constant help and encouragement given to me during my thesis tenure.

Many thanks to all my old friends Atul, Ranjit, Nitin, Pradeep, Umesh and Navin who always remained in constant touch to share my joys and sorrows. All of them encouraged me by helping all the way - emotionally, intellectually and financially.

I am highly obliged to my affectionate seniors Dr. Shalini and Dr. Arvind for their scientific training, constant encouragement, inspiration and emotional support.

I am highly thankful to all my friends and juniors- Jagan, Arti, Iti, Shailendra, Brajendra, Rit, Saquib, Pranav, Ravinder, Uzma, Prachi, Alok, Shweta, Meethu,
Sanjay, Amit, Siddharth, Ruchir and Seema for extending their kind support and timely help.

A special thanks to Mr. S. L. Verma and Mr. B. P. Yadav for taking care of all my official matters during tenure of my Ph. D. I also would like to thank Mr. Mujeeb for his help through his extra-ordinary management skills. I am thankful Mr. O. P. Tripathi for his everyday help.

It is difficult to find appropriate words to acknowledge my parents Mr. Nilkanth and Mrs. Pushpavati Gaikwad. It’s something beyond my capabilities to express.......Thanks a lot to God for making me a son of such wonderful parents. My special gratitude is due to my elder sister Manisha, Jiju Mr. Gajananrao, Tanaya and Shivam for their loving support. A very special thanks to younger sister Sushama, Nana and Sanika for understanding my difficulties for not being there with them, when I was suppose to be with them.

Last but not the least I owe my huge loving thanks to my wife Mrs. Rajshree and son Manas. Without their supportive encouragement and moral boosting, it would have been difficult for me finish this work.
