LIST OF TABLES x

LIST OF FIGURES xvii

ABBREVIATIONS xviii

CHAPTER 1 INTRODUCTION 1

1.1 Background 1
1.2 Dynamics of HIV transmission 2
1.3 Clients of sex workers 3
1.4 Concurrency and Sexual Mixing 5
1.4.1 Concurrency 6
1.4.2 Sexual mixing 7
1.5 Condom use 8
1.6 Sexual risk behavior and vulnerability factors 9
1.7 Problem justification 10
1.8 Objectives 12
1.9 Study Setting 13
1.10 Thesis Organization 15

CHAPTER 2 DATA AND METHODOLOGY 18

2.1 Introduction 18
2.2 Data 18
2.3 Sampling design 19
2.5 Measures 21
2.5.1 Types of sexual partners 21
2.5.2 Sexual mixing 22
2.5.3 Concurrency 23
2.5.4 Inconsistent condom use 23
2.5.5 Alcohol consumption prior to sex 24
2.5.6 Anal sex 24
2.5.7 Risky sexual behavior 24
2.5.8 Socio-demographic measures 25
2.6 Statistical analyses 25
4.3.1.2 Levels of age mixing 59
4.3.1.3 Predictors of age mixing 61
4.3.1.4 Levels of marriage mixing 62
4.3.1.5 Predictors of marriage mixing 63
4.3.2 Concurrency 64
4.3.2.1 Prevalence of concurrency 64
4.3.2.2 Predictors of concurrency 67
4.3.2.3 Partnership-level concurrency analysis 68
4.3.3 Relationship between concurrency and sexual mixing 70
4.4 Summary 70

CHAPTER 5 SAFE SEX BEHAVIOR 73

5.1 Introduction 73
5.2 Methods 74
5.2.1 Variable definition 74
5.2.2 Statistical analyses 75
5.3 Results 75
5.3.1 Levels of condom use 75
5.3.2 Inconsistent condom use with husband/cohabiting partner 76
5.3.3 Inconsistent condom use with NCNC partner 79
5.3.4 Inconsistent condom use with repeat clients 84
5.3.5 Inconsistent condom use with occasional clients 89
5.3.6 Inconsistent condom use in commercial sex 92
5.3.7 Inconsistent condom use all sexual partners 96
5.3.8 Effect of concurrency and sexual mixing on inconsistent condom use 96
5.4 Summary 100

CHAPTER 6 INTERFACE OF ALCOHOL AND RISKY SEXUAL PRACTICES 102

6.1 Introduction 102
6.2 Methodology 104
6.2.1 Measures 104
6.2.2 Statistical analyses 105
6.3 Results 105
6.3.1 Anal sex and associated HIV risk behavior 106
6.3.1.1 Prevalence of anal sex 106
6.3.1.2 Predictors of anal sex 109
6.3.1.3 Concurrency, sexual mixing and anal sex 110
6.3.1.4 Anal sex and HIV risk behaviors 111
6.3.2 Alcohol consumption prior to sex 113
