ACKNOWLEDGEMENT

First of all, I would like to thank Almighty God, for making it possible for me to complete my thesis.

This thesis would not have been possible without the inspiration and support of a number of wonderful individuals- my thanks and appreciation to all of them for being part of this journey and making this thesis possible.

I owe my deepest gratitude to my supervisor Dr. Amit Srivastava for his encouragement, cooperation, moral support, valuable guidance for shaping this thesis. Without their never ending enthusiasm and continuous optimism this thesis would hardly have been completed. Their guidance and supervision has been a valuable input at every stage of my research work.

My sincerest thanks to Prof. Bhu Dev Sharma (Former Professor) and Prof. Bani Singh (Former Professor), whose stimulating suggestions and encouragement helped me all the time of my work. They have constantly forced me to remain focused on my goal.

I would like to express my warmest gratitude to Prof. S.C. Saxena (Vice-Chancellor), Prof. Padam Kumar (Dean RI&D), Prof. Krishan Gopal (Dean A & R), Prof. Hari Om Gupta (Director), Prof. Yaj Medury (Former COO) and Mr. Raju Sangal (Registrar) for their cooperation and assistance to complete my work.

I owe much to my DPMAC members Prof. Amrish Aggarwal, Prof. Alka Tripathi and Prof. S.C. Katyal for their invaluable advice, guidance and motivation during my Ph.D. They have been a great source of knowledge.

I feel enlightened to express my deepest gratitude to all the faculty members of the “The Department of Mathematics” for their critical comments and suggestions throughout my research work. I was fortunate enough to have our Head of the Department Prof. Alka Tripathi, who was also in my DPMAC to help in any circumstances. I am extremely grateful for having such a supportive family.

I am very grateful to all the JIIT friends I have met along the way and have contributed to the development of my research. I would like to show my gratitude to Kuldip Katiyar, Snehlata,
Rajkumar Verma, Prateek Varshney, Sunil, Maitreyi Upadhyay, Manisha Raj, Harsh Vardhan Tiwari, Amrinder Thakur, Deepti Maikhuri, Raghu Vamsi, Tanvi, Kanchan, Payal. I gratefully acknowledge the contributions and support of all the other people who directly or indirectly helped me in the completion of my doctoral programme.

I wish to thank all the JIIT staff for providing required resources and facilities on time to time during my research work.

Last but not the least I would like to thanks my beloved parents for their active cooperation, patience and understanding while my doctoral programme. I am grateful to my sisters Bhawna Maheshwari and Ekta Maheshwari for always being there for me as a friend. I am forever indebted to my parents for giving me the opportunities and experiences that have made me who I am. They selflessly motivated me to explore new directions in life and seek my own destiny. Their simultaneous desires for my success and sanity gave me much needed support when the going was tough. I dedicate this milestone to them.
