Acknowledgement

Those who love hard work and love it because it is hard,
Those who try and fail and keep on trying,
Those who suffer the loss of months of hard labor and start all over again,
Those who cannot be discouraged no matter whatever happens,
are invited to undertake ‘RESEARCH’

This opportunity of undertaking research work has been provided to me by my esteemed Guide Late Dr. R.A. Fursule (Principal, R.C. Patel College of Pharmacy, Shirpur Maharashtra). His never-say-die attitude has not only shaped this work but also helped in shaping my personality.

This dissertation could not have been written without Dr. D.R. Chaple (Principal J.L. Chatarvedi College of Pharmacy, Nagpur, Maharashtra) who not only served as my guide after the heavenly journey of my previous guide Late Dr. R.A. Fursule but also encouraged and challenged me throughout my academic program. His perpetual energy and enthusiasm in research had motivated me and he was always accessible and willing to help throughout this study. As a result, project work became smooth and rewarding for me.

My sincere thanks to Director R&D Cell JNTU, Hyderabad for giving this opportunity for the research.

A journey is easier when you travel together. Interdependence is certainly more valuable than independence. I have not traveled in vacuum in this journey. Some people made this journey easier with words of encouragement and more intellectually satisfying by offering different places to look to expand my theories and ideas.

I am indebted to Dr. Rajesh K.S. (Principal Parul Institute of Pharmacy, Vadodara, Gujarat) Dr. A.K. Sharma (Director, Parul Institute of Pharmacy, Vadodara, Gujarat) Dr. Devanshu Patel (Managing Trustee, Parul Arogya Seva Mandal) for permitting me to do project work at Parul Institute of Pharmacy and also for providing all facilities, their inestimable guidance, fruitful discussions and eminent advice for the progress of my work. I thank them from the deep of my heart.
My sincere thanks to the teachers for helping me in building up my concepts and developing the ethics of my profession.

The cooperation I received from other faculty members of this department and my colleagues is gratefully acknowledged. With a deep sense of gratitude, I wish to express my sincere thanks to Dr. Sabale Profulla (H.O.D. Dept. of Pharmaceutical Chemistry), Mrs. Sabale Vidya for their company and assurance at the time of difficulties.

I can never count the contribution of some very special individuals their perpetual support, enthusiasm, timely help and encouragement has helped me during the hard times of my work. I will never forget the cooperation I had from Mr. Mahajan N.S., Mr. Khatale P.N., Mr. Zambare Y.B., Mr. Karpe S.T., Mr. Shaikh S.A., Mr. Jawarkar R.J., Mr. Urnilesh Jha (Assistant Professors, Sahyadri College of Pharmacy, Methwade, Solapur). Thanks for everything my dear friends.

I am indebted to my loving roommate Harish Kajiwant for reducing half of my tensions by giving me moral and intellectual support.

I feel short of words to express thanks to Dr. Dilipkumar Ingawale (President, Shikshan and Krushi Vikas Pratishthan, Medshingi) for their kind moral support to make this work possible.

I will be failing in my duty if I do not mention the non-teaching staff for their timely help. I am thankful to Ms Jagtap R.V., Mr. Lokhande P., and other staff members.

My deepest gratitude goes to my wonderful family for their unflagging love and support throughout my life. My Father, in the first place is the person who put the fundament of my learning, character, showing me the joy of intellectual pursuit since I was a child. I have no suitable word that can fully describe my mother’s everlasting love. Words fail me to express my appreciation to my wife Seema whose dedication, love, patience, and persistent confidence in me has taken the load off my shoulder. I owe her for being unselfishly let her intelligence, passions and ambitions collide with mine. I would also like to thank my daughter Janhavi and son Yutarth for being a constant source of joy and inspiration. I cannot ask for more from my brother, sisters, son in laws who are simply perfect according to me. I remember their constant support when I encountered difficulties. I am very grateful to Umesh and Shrikant.
Last but not least I acknowledge the almighty god, my good shepherd, who has never failed me, who extended his helping hand, whenever I was in need, who has led me miraculously, giving me strength, courage, spirit, wisdom and resilience to work and to bring this endeavor to completion.

If I have missed anybody it does not mean I forgot them. They are close to me with a special place in my heart. I am asking pardon if I hurt anyone knowingly or unknowingly during this study period.

ANIL M. MANIKRAO
