ACKNOWLEDGMENT

It gives me great pleasure to express my heart felt sincere gratitude to my Guide Dr.S.Ravi, Reader, Library and Information Science wing, Directorate of Distance Education, Annamalai University, Chidambaram for his valuable guidance to the successful completion of this research investigation.

In no less measure, I wish to thank my Co-guide Prof. Dr. R.Vengan, University Librarian, University of Madras, Chennai for all his valuable suggestions.

I am indebted to Dr. Ms. M.Suriya, University Librarian & Head, Department of Library and Information Science, Annamalai University for all the kind support, she extended to me.

I remember the affectionate, benign attitude and administrative support extended to me by our Correspondent worshipful Janab Peer Mohammed, our Principal Dr. K.P.Mohammed, Dean (Academic) Dr.T.Thyagarajan, the Professor in charge of the Library Prof.T.R.Rangasamy, of the Crescent Engineering College, Chennai.

I thank Prof. A.Srimurugan, University Librarian & Head, Dept. of Library and Information Science, Madurai Kamaraj University for all kinds of support, I enjoyed during course of my investigation.

I thank Prof. Dr. M. Kannan, of Madurai Institute of Social Sciences, Madurai and Ms. Latha for all the help in statistical analysis of this study.
I should include Mr. J.P.S.Kumaravel, Mr.K.Srinivasan and Mr.S.Praveen all from the Digital service division of the Madurai Kamaraj University Library in my thanks giving list as they rendered a valuable help in the administrative work as well as the work on the computer. They always kept me in good humour.

My sister's family, brother's family, my better-half, daughters Boojasri and Boomasri deserve a mention here as they supported me in many ways to keep me in my best efforts to finish this work.

I am fortunate to have affectionate parents whose loving care that I count much.

I thank the Almighty.
