My hearty gratitude to my mentor for her inspiring guidance, meticulous care, innovative ideas, continuous encouragement and patience in all respects during completion of my Ph.D., work.

I would like to extend my thanks to all faculty members, Department of Chemistry, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, who rendered a congenial atmosphere to work during my research period.

I warmly thank all research scholars, Department of Chemistry for their inspiration, encouragement, valuable discussions and all the help in the laboratory throughout my work. Their timely help and friendship shall always be remembered.

My thanks to all non-teaching staff, Department of Chemistry for their support and timely help during my research period.

I gratefully acknowledge University Grants Commission, for financial assistance under Minor research project.

I would like to express my sincere gratitude to the faculty and technical staff of IIT- Madras, Chennai, VIT, Vellore, SRM, Chennai in recording 1D and 2D-NMR data, Department of Nanoscience and Technology, Tamil Nadu Agricultural University, Coimbatore for SEM and TEM analysis, SITRA, Coimbatore, for tensile studies, Department of Chemistry, PSGR Krishnammal college for Women, for FT-IR analysis, the assistance of KMCH college of Pharmacy, Coimbatore in animal studies, antioxidant, antimicrobial and anticancer studies and Ramachandra University, Porur, in anticancer analysis.

My parents Mrs. and Mr. Muthusamy have always been a source of inspiration and their constant advice, decisive support, care and prayers in various forms gave me
the energy and courage to go my own way to work towards the success of research work.

My hearty thanks to brother family, Mrs and Mr. Kaladhar, Ezhil Aadhav. K for their overwhelming support and encouragement extended to me technologically.

My special thanks to my mother-in-law for her love and moral support.

My life is really fascinating because of the love and care of my loving husband, Mr. N. Nallasamy and lovely son, Nimal N N. I will always cherish by their unwavering commitment, prayers, patience and support in uplifting my spirit during my PhD studies. His patience, sacrifice and eternal support will remain my inspiration throughout my life. Without his help, I would not have been able to complete much of what I have done. My better half have sacrificed his career for my sake and provided unconditional love and care when times were rough. I wish to thank for his undivided support.

I wish to thank all the invisible hands behind this successful research work.
