LIST OF TABLES

Table 3.1: Showing selection students from various schools in north zone of Bangalore 85
Table 3.2: Showing selection of students from various schools in south zone of Bangalore 86
Table 3.3: Showing selection of parents and children from north zone schools 88
Table 3.4: Showing selection of parents and children from south zone schools 88
Table 4.1: Showing the list of schools selected 99
Table 4.2: Showing the board wise distribution of students in phase 1 101
Table 4.3: Showing the grade wise distribution of students in phase 1 101
Table 4.4: Showing the grade wise distribution of students in phase 2 102
Table 4.5: Showing the board wise distribution of students in phase 2 102
Table 4.17: Showing the results of the t-test 109
Table 4.18: The table below shows the number of boys and girls selected in each grade. 110
Table 4.24: Mother’s parenting style correlation table 116
Table 4.25: Father’s parenting style correlation table 117
Table 4.26: t-test differences in parenting approaches 118
Table 4.27: Correlation of differences in parenting styles of both parents and aggressive behaviours displayed by children 119
Table 4.29: Showing the results for paternal conflict tactics and aggressive behaviours displayed by children 121
Table 4.30: Showing the results for maternal conflict tactic styles and aggressive behaviours displayed in children 122
Table 4.36: Showing the results – Relationship between parental supervision aspects and aggressive behaviours displayed by children 126
Table 4.38: Frequency table for duration of Weekday TV watching 128
Table 4.39: Frequency table for duration of Weekend TV watching 128
Table 4.40: Showing the correlation results of TV watching and aggressive behaviours 129
Table 4.42: Showing the frequency table- Physical fighting 130
Table 4.43: The ANOVA results of ‘Physical fighting’ content on TV and aggression 131
Table 4.44: Showing Post Hoc test results- Physical fighting content 133
Table 4.45: Showing the frequency table- Adult content 135
Table 4.46: The ANOVA results of ‘Adult’ content on TV and aggression 136
Table 4.47: Showing the frequency table- Family drama 137
Table 4.48: The ANOVA results of ‘Family drama’ content on TV and aggression 138
Table 4.49: Showing the post hoc table- Family drama content 139
Table 4.50: Showing the frequency table- Foul language content 140
Table 4.51: The ANOVA results of ‘Foul language’ content on TV and aggression 140
Table 4.52: Showing the frequency table- Horror content 141
Table 4.53: The ANOVA results of ‘Horror’ content on TV and aggression 142
Table 4.54: Showing the Post hoc results- Horror content 144
Table 4.56: Showing the frequency table- Week day gaming duration 146
Table 4.57: Showing the frequency table- Weekend gaming duration 146
Table 4.58: Showing the correlation results of Gaming duration and aggressive behaviours 147
Table 4.60: Showing the frequency table- Physical fighting games 149
Table 4.61: The ANOVA results of ‘Physical fighting’ games and aggression 150
Table 4.62 : Showing the frequency table- Racing games 151
Table 4.63 : The ANOVA results of ‘Racing’ games and aggression 152
Table 4.64 : Showing the frequency table- Shooting games 153
Table 4.65 : The ANOVA results of ‘Shooting’ games and aggression 154
Table 4.66 : Showing the frequency table- Killing games 155
Table 4.67 : The ANOVA results of ‘Killing’ games and aggression 156
Table 4.68 : Showing the frequency table- Running and escaping games 157
Table 4.69 : The ANOVA results of ‘Running and escaping’ games and aggression 158

LIST OF GRAPHS

Graph 4.6 : Showing the age range of the children selected for phase 2 103
Graph 4.7 : Presence of Siblings 103
Graph 4.8 : Family type: Nuclear v/s Joint 104
Graph 4.9 : Showing the father’s education 104
Graph 4.10 : Showing the Mother’s Education 105
Graph 4.11 : Showing the Employment status of Mother 105
Graph 4.12 : Showing the annual income chart 106
Graph 4.13 : Showing the type of residence 106
Graph 4.14 : Showing the presence of direct, indirect and verbal aggression in the overall sample 107
Graph 4.15 : Showing the commonly seen behaviours in class rooms 108
Graph 4.16 : Showing the differences in the overall aggressive behaviours among boys and girls in the sample population 109
Graph 4.19 : Showing the grade differences in aggression in the total population 111
Graph 4.20 : Showing the grade wise gender differences in the overall aggression 112
Graph 4.21 : Showing the grade differences in the types of aggression displayed 113
Graph 4.22 : Showing the gender and grade differences in different types of aggression 114
Graph 4.23 : Showing the descriptive analysis of parenting approaches adopted by fathers and mothers 115
Graph 4.28 : Showing the descriptive analysis of the conflict behaviours in the sample population 120
Graph 4.31 : Showing who supervises the child most of the times? 123
Graph 4.32 : Showing activities that are most supervised 124
Graph 4.33 : Showing enquiring about the day in school 124
Graph 4.34 : Showing school related supervision (Checking homework & School bag) 125
Graph 4.35 : Showing enquiring about the child’s playtime outside home 125
Graph 4.37 : Showing the descriptive analysis of the sample population 127
Graph 4.41 : Descriptive analysis of the type of content watched on TV by children 130
Graph 4.55 : Showing the weekday-weekend playing duration 145
Graph 4.59 : Showing the descriptive analysis of the content played on the gaming gadgets 148
