ACKNOWLEDGEMENT

As the matter of eternal compliance, above all, I would like to thank soulfully, The Almighty God, who bestowed me with His blessings and grace to accomplish this work.

I wish to express my deep sense of gratitude to my erudite supervisor Dr. Deepak Gupta, Professor & Head, Department of Mathematics, Maharishi Markandeshwar University, Mullana, Ambala, under whose judicious, able and benevolent guidance this study was undertaken. I have real appreciation and regard for his keen interest, constant and vital encouragement, constructive criticism, untiring and timely supervision, painstaking efforts which really helped me to accomplish this work. His sympathetic attitude and constant motivation at every stage facilitated this work. It has indeed been a pleasant and rewarding experience to work under his supervision.

I am grateful to Sh. Tarsem Garg ji, Chancellor Maharishi Markandeshwar University, Mullana, for encouragement, inspiration and moral support.

I am extremely thankful to Dr. J.K.Sharma, Principal, Engineering College, Maharishi Markandeshwar University, Mullana, for providing all the necessary facilities.

I would also take this opportunity to express my gratitude to Dr. (Professor) Mohinder Singh Saroa, Dr. Vishal Gupta, Dr. Anupam Khanna and other Faculty members of the Department of Mathematics, Maharishi Markandeshwar University, Mullana, Ambala, for occasional discussions and encouragement.

I am extremely grateful to Ms Payal Singla, Research scholar, Department of Mathematics, Maharishi Markandeshwar University, Mullana and her family for their help and whole hearted support in my thesis work. I am thankful to Mr. Sameer
Sharma, Research scholar, Department of Mathematics, Maharishi Markandeshwar University, Mullana, for his help and whole hearted support in my thesis work.

A project of magnitude cannot be accomplished without the unconditional support, encouragement and love of the family. For this, I would like to thank my mother Smt. Satya Devi, my husband Sh. Ashok Kumar Garg, son Dr. Brijesh Garg and daughter Dr. Sophia Garg.

I am also grateful to Dr. Girdhari Lal Garg, President, Managing committee and Dr Asha Garg Principal, M.P. College for Women, Mandi Dabwali for their cooperation. There have been numerous influences, big and small, that have helped me to complete my thesis. I would like to thank them all.
