ACKNOWLEDGEMENTS

With an immense pleasure, I express heart felt and sincere thanks to my Supervisor, Dr. (Mrs) P.Manikyamba, for her continuous guidance, co-operation and inspiration which helped to give shape to my dissertation.

My respectful thanks are due to the Head, Department of Political Science and other members on the staff for the encouragement they gave me during the period of study.

I specially thank the legislators who, inspite of their busy schedule accepted to spare their valuable time for interviews. I am also thankful to the Secretary, Legislature Secretariat, Andhra Pradesh; Librarian and other staff members of the Andhra Pradesh Legislative Assembly Library; Indira Gandhi Memorial Library, University of Hyderabad; Osmania University Library; American Studies Research Centre; Indian Council of Social Sciences Research and Regional Centre Library, Hyderabad for extending their helping hand in the collection of data.

I whole heartedly thank my friend Aizaz who has been a constant source of inspiration and help throughout my study.

I greatly owe my gratitude to my family members whose endless encouragement and cooperation at all stages enabled me to complete this work successfully. I am particularly indebted to my sister A.Sailaja, who showed keen interest and patience in entering data into the computer and who has spared a lot of time in typing and printing the dissertation.
