

Acknowledgements

The author is indebted to her research supervisor **Prof. P. Rajasekhara Reddy**, Department of Statistics, Sri Venkateswara University, Tirupati for his invaluable and inspiring guidance and providing me with the necessary facilities in the department during the progress of my research work.

The author is happy to express her sincere thanks to **Prof. M. Subbarayudu**, Head of the Department of Statistics, S. V. U College of Sciences, S. V University, Tirupati for providing necessary facilities and encouragement during my research work. I express happy to acknowledge to all faculty members of the Department of Statistics, S V University for their encouragement.

The author is sincerely thankful to **Prof. K. Srinivasa Rao**, Department of Statistics, Andhra University, Visakhapatnam for his encouragement, valuable discussion and advice. His constant guidance is of immense help to me in completing my research work. I am highly grateful to him for his precious advices and suggestions, sparing his valuable time, in-spite of his busy work schedule.

The author is very much thankful to **Prof. J. Lakshmi Narayana, Prof. K. Nirupama Devi, Dr. B. Muniswamy**, Department of Statistics, Andhra University, Visakhapatnam for their co-operation and invaluable help.

The author is indeed grateful to her beloved parents **Sri K. Govindu Swamy, Smt. K. Chinnamma**, for continuous encouragement.

The author is thankful to the **Department of Statistics**, Sri Venkateswara University authorities for providing the necessary facilities to complete this research work.

The author is very much thankful to **Department of Science and Technology (DST)**, New Delhi for providing the financial assistance through **Inspire Fellowship (IF120408)**.

The author is happy to express her sincere thanks to co-scholars and friends for their cooperation and help.
