Acknowledgement

I am thankful to the Almighty God for his mercy and compassion showered on me and for giving me enough strength to complete this huge task. This thesis is an outcome of years of hard work, sincerity and dedication. During this work, many people extended their whole hearted help and it is a pleasure to convey my gratitude to all of them at this juncture.

It is a great pleasure for me to express heartful and sincere gratitude to my esteemed guide Dr. G. Madhavi, Associate Professor of Chemistry, S.V.U College of Sciences, S. V. University, Tirupati, for her continuous support to my Ph.D study and research, for her patience, motivation, enthusiasm and immense knowledge. Her guidance helped me all the time of my research work and writing of this thesis. I could not have imagined having a better advisor and mentor for my Ph.D study. My words fall short to convey my gratitude for her encouragement and inspiration towards the betterment of this study.

I express my sincere thanks to Prof. K. Abbaiah, Principal, SVU College of Sciences, Tirupati, Prof. N. Y. Sreedhar, Head, Department of Chemistry, SVU College of Sciences, Tirupati and Prof. K. Seshaiah, Chairman, Board of Studies, SVU College of Sciences, Tirupati, for their valuable suggestions and encouragement.

All the faculty members of the Department of Chemistry have been very kind to me in extending their timely help at various phases of this research work. I sincerely acknowledge all of them for their invaluable support.

In my daily work, I have been blessed with a friendly and cheerful group of fellow students and research scholars. Their presence made me energetic and hence I am very much thankful to all of them. I thank my fellow lab mates Dr. K. Gangadhar Reddy, Mr. Y. Veera Manohara Reddy, Dr. M. Lavanya, Mr. M. Venu, Dr. P. Jeevan Jyothi, Mrs. S. Kiranmai, Mrs. E. Haritha, Miss. Ch. Madhuri,
Mrs. D. Saritha, Dr. A. Vijaya Bhaskar Reddy, Dr. V. Madhavi and Mr. B. Sivananda Reddy for their stimulating discussions, valuable suggestions, timely help and kind cooperation. Also, special thanks to my former colleagues at Govt. Degree College, Nagari, Chittoor (Dt), AP and present colleagues at Govt. Degree College, Puttur, Chittoor (Dt), AP for their encouragement.

Finally, I would like to dedicate this work to my beloved parents Late Sri V. Srinivasaiah, Smt. V. Vedavathi and my wife Mrs. K. Kameswari. I am indebted in measure beyond words to my wife and children V. Vidyadhari and V. Neelothpal for their moral support and encouragement at home throughout my research work. I also express my sincere thanks to my father-in-law Sri K. Srinivasa Murthy, mother-in-law Smt. K. Aravinda Rani, brother Sri V. Guru Venkata Subramanyam and his family, sister-in-laws Smt. K.M.L. Kalyani, Smt. K.H. Gnana Prasuna, brother-in-law Sri K.V. Maruthi Narsimham and their families and all the other family members for their support, without them I would not have completed this work.

Lastly, I offer my sincere regards to all those who have supported me during the preparation of my thesis by giving their valuable and apt suggestions.
