ACKNOWLEDGEMENT

The author is very grateful to Vice Chancellor and Research Coordinator, Manonmaniam Sundaranar University, Tirunelveli, and Dean (Academic), Madras Institute of Technology, Anna University Chennai, for permitting him to undertake this research.

The author shows his whole-hearted thanks to his supervisor Dr. S. Thamarai Selvi, Head, Department of Computer Technology, Madras Institute of Technology, Anna University, Chennai for her invaluable guidance, stimulating encouragement, unceasing enthusiasm, the sparkling discussions, and the thorough explanations she gave him for the successful completion of this research work.

In addition, the author is grateful to Dr. R. Maheswaran, Professor, Department of Mechanical Engineering, Mepco Schlenk Engineering College, Sivakasi for constant support and guidance of his entire work, prompt and thorough feedback, corrections, and valuable suggestions on the first draft of this thesis.

With deep sense of gratitude the author sincerely thank the Management, Shri R. Solaisamy, Correspondent, of P.S.R Engineering College, Sivakasi College for permitting him to utilize the facilities available in P.S.R Engineering College, Sivakasi.

The author extends his sincere gratitude to Dr. P. Marichamy, Professor and Head of section, Department of Electrical Engineering section, Mr. P. Saravanan, Professor and Head of section Department of Mechanical & Industrial Engineering, Nizwa College of Technology, Nizwa, Dr. George Varghese, Professor, Department of Electrical Engineering, Nizwa College of Technology, Dr. R. Varahamoorthi,
The author wishes to thank Dr. A. Vallavaraj, Assistant Dean, Caledonian College of Engineering, Oman for his moral support given to him throughout this research work.

The author extends his thanks to Dr. Venkateswara Sharma Mallela, Professor and Head of EEE department, G Narayanamma Institute of Technology and Science for his constant support and encouragement to complete the research work.

The author extends his thanks to every staff member (both teaching and non-teaching) of P.S.R Engineering College, Sivakasi for their innumerable help.

I wish to extend my utmost thanks to my parents, mother-in-law, and my children Mr. I.Premchandar and Ms. I.Nivethitha for their love and continuous support.

Finally, my work would have never been completed without lovely efforts from my wife Mrs.I.Vijayalakshmi. Her invaluable companionship, warmth, strong faith in my capabilities and me has always helped me to be assertive in difficult times. Her optimistic and enlightening boosts have made this involved research task a pleasant journey.

Above all, the author ascribes all praises to the ALMIGHTY whose blessings have come throughout his life.
