ACKNOWLEDGEMENT

I express my deep sense of gratitude and heartfelt thanks and respect to my guide Prof. (Dr.) S. Meenakshi, Department of Chemistry, Gandhigram Rural Institute, for suggesting the problem, giving invaluable guidance, smooth approach, moral support, motherly care and constant encouragement throughout all the stages of my research work.

I wish to record my sincere thanks to Prof. (Dr.) M. Sundaravadivelu, Head, Department of Chemistry, and Prof. (Dr.) N. S. Nagarajan, former Head, Department of Chemistry, Gandhigram Rural Institute, for their constant encouragement, for giving facilities and timely help throughout my course of work.

I place on record my deep gratitude to all the teaching and non-teaching staff of Department of Chemistry, Gandhigram Rural Institute for their moral support and help during the course of my work.

I wish to place on record my sincere gratitude to Dr. S. Lakshmi, Professor of English (Rtd.) Gandhigram Rural Institute for the proof corrections of my research articles and thesis.

I sincerely thank the Authorities of Gandhigram Rural Institute for the opportunity given to me to carry out my research in this esteemed Institute. I express my grateful thanks to Defence Research and Development Organisation (DRDO), New Delhi for providing financial assistance as Project Fellow in Major Research Project and Council of Scientific and Industrial Research (CSIR), New Delhi for financial support as Senior Research Fellow (SRF) during the course of my research work.
I am grateful to Central Electrochemical Research Institute (CECRI) - Karaikudi, Pondicherry University - Puducherry and Cochin University of Science and Technology (CUSAT) - Cochin for giving me the permission to avail their instrumental facilities.

My whole hearted and sincere thanks go to my seniors Dr. C. Sairam Sundaram, Karaikal Polytechnic College, Karaikal, Puducherry, Dr. N. Viswanathan, Anna University of Technology Madurai-Dindigul Campus, Dindigul, Dr. G. N. Kousalya, G.T.N Arts College, Dindigul and my research colleagues Mr. N. Sivasuriyan, Ms. A. Sowmya, Mr. P. Siva Kumar, Mrs. M. Hasmath Farzana, Mr. R. Karthik and Mr. S. Muthu Prabhu, Department of Chemistry, GRI for their constant encouragement and valuable time spent for me to complete my research work.

I extend my sincere thanks to all my co-scholars and friends-the list is endless-for their constant encouragement and for providing a research forum.

I will be failing in my duty if I do not mention the endless moral support and assistance from my beloved and respected parents Mr. T. Muniyappan, Mrs. N. Sakthi and my loving brothers Dr. M. Sankar and Mr. M. Srinivasan and all other members of my family and relatives. Their whole hearted support, loving care, concern and sacrifices made my dream a reality.

Above all, I thank the Almighty.

(M. RAJIV GANDHI)
