ACKNOWLEDGEMENTS

First of all, I express my gratitude and affection to my amma (Mrs. A. Kulandaiammal) and appa (Mr. S. Arockiam). Their whole hearted support, encouragement, loving care and sacrifices lead my dream a reality. Both of them believed, inspired and motivated me to reach my aim.

With regards and gratitude to my supervisor Dr. S. Abraham John, Associate Professor, Department of Chemistry, GRI, for giving me the opportunity to work under his guidance. I acknowledge him for his guidance, encouragement and freedom to work. He has always been an example hard-work and dedication for research. I express my thanks to his family members Mrs. Jeno John and Nivetha for their love and care on me.

I express my sincere thanks to Former Head of the department Prof. G. Karthikeyan (Late), Present Head of the department Prof. M. Simdaravadivelu and Former Head of the department Prof. N.S. Nagarajan, for their help, cooperation and providing necessary facilities to carry out my research work.

I wish my sincere thanks to Dr. K.P. Elango, Dr. M.G. Sethuraman and Dr. Palanisamy Kalimuthu for their help, support and encouragement in many ways.
I would like to express my sincere thanks to my teaching staffs Dr. S. Ramesh, Dr. S. Meenakshi, Dr. P. Anitha Pius, Dr. K.K. Satheesh Kumar and Dr. M. Srinivasa Perumal. I also extend my thanks to non-teaching staffs Dr. V. Periyasamy, Mr. V. Piteiramani, Mr. K. Krishnamurthy, Mr. A. James, Mr. S. Ramesh and Mr. T. Nagaraj for their timely help during my research work.

My special thanks and express my appreciation to Dr. Palanisamy Kalimuthu and Dr. A. Sivanesan for their care, timely help, research suggestions and valuable discussion related my research work. I have also wish to thank Dr. P. Kannan and Dr. Palraj Kalimuthu for their encouragement and constant support.

I extend my thanks to Prof. S. Sampath, Inorganic and Physical Chemistry Department, IISc, Bangalore, for his help in recording Raman spectra. I wish to thank Dr. R. Karvembu, Associate Professor, NIT, Trichy and Dr. A. Siva, Assistant Professor, Madurai Kamaraj University, Madurai, for their help in HPLC measurements

I wish to express my thank to S. Murugesan, Lakshmi Lab and X-rays, Chinnalapatti, for providing blood serum sample and blood plasma samples for real sample analysis.
