ACKNOWLEDGEMENT

First and foremost, I would like to express my deepest sense of gratitude to my research guide Dr. H. P. Sharma, Librarian (acting), Indian Institute of Engineering Science and Technology, Shibpur, West Bengal for his invaluable guidance, constant encouragement, unfailing support and valuable suggestions at every step of my work, without which it would have not been possible on my part to complete the task.

I bow my head before my most respectful teacher and co-supervisor late Prof. Subir Kumar Sen, Reader, Dept. of Library and Information Science, University of Calcutta from whom I derived lot of suggestions at the beginning of this work. He was the father figure for me in this field of study and without his guidance and encouragement I may not have reached this position now.

I am also thankful to a great extent to all the faculty members and other staff members of the Department of Library and Information Science, University of Calcutta, for their kind cooperation and encouragement.

I am thankful to my professional colleagues and friends like, Siladitya Jana, Assistant Librarian, IISER, Kolkata, Soumen Mondal, Librarian, Bhangar High School, 24 Parganas (South) and Maitreyee Mukhoty, Supervisory Librarian, The American Library, Kolkata for their valuable inputs and fruitful discussion during the course of my research work.

I am really grateful to Dr. Amiya Kumar Mukherjee and Mrs. Sohini Sen of Gobardanga Hindu College and Mr. Parimal Mondal, my maternal uncle for their valuable help regarding my research work.
My heartfelt thanks are due to the authority and staffs of various learned institutions, libraries and information centers, who graciously and ungrudgingly allowed me to have reading facilities and made their best efforts to supply documents of my need.

My special thanks to Mr. Murari Bhattacharyay, Library Clerk, The Asiatick Society, Kolkata for providing me relevant material for collecting data and also all the necessary facilities that made it possible to claim the accuracy in this work.

I would like to put on record, my deep love and admiration to my beloved parents, Sri Sasanka Kumar Roy and Smt. Banani Roy for their painstaking care, support, encouragement, patience and unwavering love which helped me to grow to this height.

Now I would like to express my lifelong indebtedness to my better-half Moutusi Basak Roy and my sweet little daughter Samriddhi (Rahi) for their sacrifices, prayers and good wishes for my successful accomplishments.

I also acknowledge all those who have helped me directly or indirectly during the task of this work.

Finally, I wish to express my endless thanks to Almighty GOD, the most benevolent and merciful, who blessed me for the timely completion of this dissertation.

SANKU BILAS ROY
