Acknowledgments

It is pleasure for me to acknowledge the guidance and help received from various persons in the completion of my study. I am greatly indebted to my Research Director Dr. S. Vijaya Raju, Professor, Department of Commerce and Business Administration, Acharya Nagarjuna University, Nagarjuna Nagar, Guntur, Andhra Pradesh for his keen interest on my work. But for his scholarly guidance and encouragement, this work would not have become possible.

I express my deep sense of gratitude to the authorities of the Acharya Nagarjuna University, Guntur, particularly for the Vice-Chancellor, The Registrar, the Research cell Coordinator, the Principal, university college of Commerce and Business Administration, the Dean, Head and the Chairman Board of studies, the Department of Commerce and Business Administration, for having provided me the opportunity to do the research for the award of the Degree Doctor of Philosophy. I am also thankful to the staff of the concerned department and the staff of university library for having helped me as and when I visited the library during the period of my study.

I express my gratefulness to the management of Turbomachinery Institute of Technology and Sciences, Patancheru, Hyderabad, particularly, to Sri. T. Subbarayudu, Chairman and Industrialist of Turbo group of Companies.
