ACKNOWLEDGEMENT

I express my profound and sincere gratitude to Dr. N. S. Nagarajan, Research Supervisor and Former Professor of Chemistry, Gandhigram Rural Institute - Deemed University, Gandhigram, Tamil Nadu. This work has been completed due to his invigorating guidance, felicitous advice, punctilious and valuable suggestions with energizing criticism throughout the course of this work and without his persuasive encouragement and moral support, this work would not have been completed.

I thank Prof. M. Sundaravadivelu, Former Head, Department of Chemistry and Dr. M.G. Sethuraman, Professor & Head, Department of Chemistry and all the teaching & non teaching staff of the Department of Chemistry for their constant encouragement in the completion of my Ph. D work.

I thank Mr. Pankaj Jain and Mr. Punnet Jain, Managing Directors of Pragati Aroma Oil Distiller Pvt Ltd, Nilakottai, Dindigul Dt, Tamil Nadu for their administrative support and help in instrumentation facilities provided to carry out the entire research work and also I thank all the staff members in their company.

I sincerely thank Dr. A. Kathirvel, Assistant Professor, Department of Chemistry, K.S. Rangasamy College of Arts & Science Tiruchengodu for helping me in assessing the antioxidant activity of the samples of my research work.

I sincerely thank Dr. Shanmugaiah, Assistant Professor, Department of Microbial Technology, School of Biological Sciences, Madurai Kamaraj University, Madurai, Tamil Nadu for his help in assessing the antimicrobial activity in my research work.

I sincerely thank Dr. P. Thirupathy Kumaresan, Professor of Pharmacology, Arulmigu Kalasalingam College of Pharmacy, Krishnan Kovil, Tamil Nadu for his constant help in assessing the Pharmacological activities of all my samples by in vivo methods during the course of my Ph.D., Thesis.
I am extremely thankful to all the research scholars of Department of Chemistry, Gandhigram Rural Institute - Deemed University, Gandhigram, especially, Dr. N. Muniyappan, A. Lakshmanan, C. Umamaheswari and P. Rajesh Kanna for their valuable help and constant support during my research work.

My sincere thanks go to my dear friend, Dr.P. Marimuthu, Assistant Manager, Primacy Industries Limited, Baikampady Industrial Area, Mangalore, Karnataka for the encouragement that worked as a push to complete my research work.

I owe a lot to my wife, my parents, my uncle, my aunty and my dear children, who encouraged and helped me at every stage of my personal and academic life and longed to see this achievement coming true.

Above all, I owe it all to the Almighty for giving me the courage, wisdom, health and strength to undertake this research task and enabling me for its completion.

(D. SUGUMAR PANDIAN)
