Notes
Notes:

1. *Matha* - is a religious institution where the widows take refuge and recite God's name and observe rituals, prescribed for them.

2. *Badi* - is a , made of blackgram, when vegetables supply dwindles in the local people use this to make curries.

3. *Papad* - It is made of pulses. First a dough made. Each piece rolled into a flaten round shape and sun dried. It can be preserved for a long time and is used to supplement curries.
