ACKNOWLEDGEMENT

I take this opportunity to express my deep sense of gratitude to my revered teacher and guide Dr. Sudhansu Sekhar Rath, Reader, P.G. Department of Economics, Sambalpur University for his meticulous care, valuable suggestions and constant guidance which enabled me to complete this work.

I am extremely grateful to Prof. K. Sarap, Head, P.G. Department of Economics, Sambalpur University for providing necessary facilities in the Department without which the study of this work would not have been feasible.

I am highly grateful to my esteemed teachers Prof. J. Pattanaik, Dr. P.K. Tripathy and Sri B. Mishra and non-teaching staff members of P.G. Department of Economics, Sambalpur University for their cooperation in completion of this work.

I am also thankful to the authorities of Sambalpur University and Prof. B. Behera Central Library for providing assistance and facilities to carryout this research work.

I am thankful to the authorities of RBI, Mumbai and Bhubaneswar and Nabakrishna Coudhury Centre for Development Studies, Bhubaneswar for their cooperation in my research work.

I am highly indebted to my parents and family members for their sincere cooperation, advise and constant encouragement which helped me for making this research work a success.
