ACKNOWLEDGEMENT

It is my privilege to express deep sense of gratitude to Prof. N.K. Choudhury for his valuable and inexorable guidance, stupendous encouragement and immense of freedom he has given me to think and act, also in portraying the shape of this work.

In this superb occasion I express my profound gratefulness to my parents who brought me to earth, protected and nourished me without expecting anything in return. I am indebted to them for the tireless support during hurdles, constant encouragement and blessings to keep growing and spread happiness. Words limited and pages inadequate to express their caringness, love and affection for me.

I owe this opportunity to express sober regard to Dr Rajendra Kumar Behera, Lecturer F.M.University, Baleswar, for his valuable suggestion, ungrudging help, ceaseless inspiration and unlimited affection. I am indebted to him.

I am also grateful to Biraja Prasad (CFSL, Chandigarh), Sunil Pradhan, Sanjaya (K-JIST, South Korea), Malaya Sahoo (CDRI, Lucknow), Sunil Panigrahi (JNU, Delhi), Sandip Bhai (NBRI, Lucknow), Suranjan (JNU, Delhi), Trailokya Biswal (Delhi), Biswatosh Pati (BIOCON, Bangalore), Hemanta Biswal, Mantu and Gunduchi, for moral help, cooperation and technical supports, whatever and whenever I have needed.
