## CERTIFICATE

*This is to certify that Smt. Pravati Mishra has revised her Ph. D. thesis entitled "Concept of Aucitya in Sanskrit Poetics" as per the suggestion of the learned adjudicator. Chapter III of the thesis has been rewritten and detailed treatment of the concept of aucitya by Kṣemendra as given in his aucityavicāracarcā with numerous examples and counter examples has been radically cut back. In addition to survey of Kālidāsa's work in Chapter IV, the works of Bhāravi, Māgha and Śriharsa have been taken up for examination in light of the productive concept of aucitya. The chapter on western school of thought on aucitya has been altogether dropped. Sanskrit terms have been rewritten in Devanāgarī script for easy comprehension. Spelling mistakes have been corrected.*

*In view of the above changes made in the body of the thesis it gives me great pleasure to forward the thesis for adjudication for the award of Ph. D. degree in Sanskrit.*
