It gives me immense pleasure to express my deep sense of gratitude and indebtedness to my supervisor, Prof. Srikanta Patnaik, Director, Interscience Institute of Management and Technology, Bhubaneswar, for his valuable guidance and consistent supervision throughout the period of my research. I am extremely grateful to him for his keen interest in my progress, stimulating discussion, ceaseless encouragement and support throughout the period of investigation.

I am extremely thankful to my Co-supervisor Prof. Jyotirmaya Mahapatra, Chairman and Head, Dept. of Business Administration, Sambalpur University, for his guidance, unreserved support and encouragement.

My sincere thanks are also to the ex-coordinator, coordinator and all the faculty members of the Department of CSA and authorities of Sambalpur University for their immense help.

I would like to thank Prof. P. K. Mohapatra, Prof and Head of the Department of Life Science of Sambalpur University who has inspired me a lot to carry out the research work.

The help rendered by Mr. M. K. Panda, Mr. K. S Choudhury, Mr. M. R. Sahoo and Mr. S. N. Sahoo is invaluable and very much appreciated.

My appreciations and thanks are also due to Dr.(Mrs.) Patnaik of S.C.B Medical College, Cuttack who has sacrificed a lot to fulfill my desire.

I am thankful to Mr. Sanjib Kumar Jena and Tushar Kumar Mahakul of IB Valley Power Station for sharing the data and knowledge of the organization for taking up this case study.

I owe a lot to Swami Samatvananda Ji, who is my consistent source of inspiration throughout my career. His advice and encouragement have helped me to fulfill my dreams.

Special thanks are to Dr. P. K. Baboo and Mr. Subrat Kumar Panda, who have helped me in various ways in terms of support, co-operation and encouragement, with out which it would have been difficult on my part to complete the thesis.

My heartfelt thanks are due to Mr. Burle Sharma who has helped me a lot to complete the overall thesis in stipulated time.

Finally, I would like to express my thanks and gratitude to my family members, my husband, Dr. U. N. Hota, daughter Alisha, son Anshik and in-laws for their co-operation and encouragement to complete the research work.
