ACKNOWLEDGEMENT
I am deeply indebted to Dr. K.P. Patra, M.Sc., Ph.D., Professor in the Post-graduate department of Zoology, G. M. College, Sambalpur, Orissa, for his able guidance, scrupulous supervision, thoughtful and constant inspiration throughout this work till its completion.

I extend my deep sense of gratitude to Dr. J.S. Datta Munshi, Professor and Head of the Department of Zoology, Bhagalpur University for his valuable suggestion.

I remain thankful to Dr. M.C. Das, Professor and Head of Life Science, Sambalpur University, Jyoti Vihar, Burla for his encouragement and valuable suggestions during this work.

I wish to extend my thanks to the Deputy Superintendent of Fisheries, and his staff, Government Fish Farm, Sambalpur to allow me to study in the farm.

My special thanks to Sr. K.C. Patra, Dr. K.C. Patra, Sr. K.C. Pradhan, C.S. Dwari, Mrs. Monarama Pradhan, and my research colleagues for their help in various fields.

I am thankful to the staffs of Hydraulic Research Project of Hirakud Dam for providing the computer work and Central Institute of Fisheries Technology, Burla for providing literatures.

I am extremely thankful to Dr. M.M. Mohapatra, M.S. Lecturer in Ophthalmology, V.S.S. Medical College, Burla for his hearty co-operation and sacrifices during the course of this research work.
I extend my sincere thanks to the Principal, G.M. College, Head of the Post-Graduate Department of Zoology, and staffs of G.M. College, Sambalpur for their kind co-operation and valuable guidance from time to time and providing laboratory facilities.

I also thank Mr. J. Stephen for his diligence and patience in typing this thesis and to the photographer and artist and pressman for their co-operation.
