ACKNOWLEDGEMENTS

I am extremely indebted to Professor M.R. Chandran, B.A., M.Sc., Ph.D., F.Z.S. (Lond), Additional Professor of Zoology, Presidency College, Madras, for suggesting the problem and for all the unstinted help and guidance offered throughout the course of this investigation.

I wish to express my grateful thanks to the Principal and Thiru N.Ramalingam, Chief Professor of Zoology, Presidency College, Madras, for providing me with all the necessary facilities.

I am thankful to Prof. P.Govindarajulu, P.G. Institute of Basic Medical Sciences, Madras and Dr. T.Gopala.krishna Reddy, Reader in Zoology, Nagarjuna University, Guntur, for offering valuable suggestions by being members of the Doctoral Committee.

My sincere gratitude is due to Professor G.Sundara Rajulu, Autonomous Post-Graduate Centre, of the University of Madras, Coimbatore, for valuable suggestions and comments. To Dr.T.Subramaniam, University of Madras, Dr.Vijayam Srimulu, Thiru S.Swaminathan, Department of Zoology, Annamalai University, Dr.V.A.Murthy, Loyola College, Madras, Dr.Vanithakumari, Institute of Basic Medical Sciences, and Dr.K.Thiruneelakantan, Department of Microbiology, Madras Medical College, I am grateful for the interest shown in the progress of the work.
I am also thankful to Professor K.M. Marimuthu and his colleagues, P.G. Institute of Basic Medical Sciences, Madras, and Thiru P.A. Ananthakrishnan, Department of Geology, presidency College, Madras, for offering help in connection with the preparation of Photo micrographs. I also wish to thank Thiru Radhakrishnan, Laboratory Assistant, Pachaiyappa's College, Madras, for the help rendered in the collection of specimens.

I wish to record my deep sense of gratitude to the Chairman, members of the Managing Committee and Mrs. K. Vasanthi Devi, Principal, Ethiraj College for Women, Madras, for the encouragement shown and granting leave which enabled the completion of this work. To Miss E. Mathew, former Principal, I am grateful for her sustained interest in the progress of the work. The colleagues in the Department of Zoology of the College helped me in various ways.

The financial support rendered by the University Grants Commission of India under the Faculty Improvement Programme is gratefully acknowledged.

Last but not the least I am indebted to my husband Thiru D. Pattabhiraman, who relieved me completely from the domestic drudgeries during the course of this work.
