ACKNOWLEDGEMENT

I am greatly indebted to Prof. M.C. Dash, Ph.D. (Calgary), F.N.A.Sc. and Dr. U.C. Biswal, Ph.D. (J.N.U) for their constant supervision during the course of investigation and valuable suggestions for the preparation of the manuscript.

It is a pleasure to acknowledge the help from Dr. N.K. Choudhury, Dr. (Mrs) Basanti Biswal, Mr. M.K. Raval in correcting the manuscript. My thanks are due to Mr. A.K. Panda, Mr. D.P. Pati, Mr. P.K. Panda, Mr. H.K. Dash, Mr. S.P. Mishra and Mr. S.K. Swain for their generous help during the preparation of the MS. I am also thankful to Prof. S. Pattnayak, Prof. M.N. Mishra and Dr. C.K. Mohapatra of School of Mathematical Sciences for kindly providing facilities for typing the thesis. I thank Mr. N. Behera, for his meticulous typing.

I am thankful to Dr. B.K. Senapati for his help in identifying the earthworm species and kind permission to use the Fig. 2 in MS. My thanks are also due to Mrs. Neelam Shatt and Mr. B.C. Mishra for their help during the course of investigation.

I am grateful to all my colleagues and friends in the School of Life Sciences for their constant encouragement.

I owe my deep sense of gratitude to Prof. A.B. Das, Professor in Zoology, Visva Bharati University, Shantiniketan who has initiated me into the science of Biochemistry.

Last, but not least my thanks are due to my wife Vijaya and daughters, Chunni and Reethu to have borne with me during the period of investigation.

Jyoti Vihar
September, 1984.
