Chapter-1  
Cyanines during nineties: A Review  
1-65

Chapter-2  
Scope and summary of the work  
66-75

Chapter-3  
Experimental  
76-85

Chapter-4  
Time resolved fluorescence studies of aminostyryl pyridinium dyes in organic solvents and surfactant solution.  
86-100

Chapter-5  
Dye-Surfactant Interaction: Role of an Alkyl Chain in the Localization of Styrylpyridinium Dyes in Hydrophobic Force Field of a Cationic Surfactant (CTAB)  
101-106

Chapter-6  
Interaction of N-Alkyl Styryl Pyridinium Dyes with TX-100 in Aqueous Medium: Role of the Alkyl Chain during Solubilization  
107-113

Chapter-7  
Dye-Surfactant Interaction: Chain Folding during solubilization of Styryl Pyridinium Dyes in Sodium Dodecyl Sulfate Aggregates  
114-125
