ACKNOWLEDGEMENT
I avail this opportunity to express my deep sense of gratitude to my Supervisor, Dr. A.K. Patra, Professor in Post-Graduate Department of Zoology, G.M. College, Sambalpur (Orissa), under whose direction and guidance this work has been carried out. I am greatly indebted to Dr. Patra not only for his suggesting me the problem, but also for his constant guidance, valuable suggestions, criticisms and thorough checking up the results and encouragement during the tenure of my work.

I extend my deep sense of gratitude to Dr. J.S. Datta Munshi, Professor and Head of the Department of Zoology, Bhagalpur University for his valuable suggestions.

I am much thankful to Dr. James R. Karr, Department of Ecology, Ethology and Evolution, University of Illinois, U.S.A. for passing through some of the manuscripts and his critical remarks.

I wish to express my thanks to Dr. D. Lenka, Associate Director of Rice Research Institute, Chiplima, for his guidance and criticisms in various aspects of the work.

I extend my sincere thanks to my teacher, late
Professor (Dr.) P.N. Chatterjee, Professor (Dr.) Tapas Kabi, Principal, G.M. College, Prof. G.S. Ghosh, Post-Graduate Zoology Department of G.M. College, Sambalpur for their elderly affections and laboratory facilities.

I am very much thankful to Dr. M.C. Dash, Professor and Head of Life Science, Sambalpur University, Jyoti Vihar, Burla for his constant inspiration, encouragement and valuable suggestions during this work.

Special thanks are also due to Prof. B.K. Nanda, Prof. B.N. Sahoo, Prof. B.K. Behura, Prof. C.C. Dash, Prof. H.P. Devi, Dr. P.C. Swain, Prof. S. Nayak, Prof. G.C. Pandia for their constant encouragement to carry out this work.

I express my deep sense of thanks to my fellow research workers Miss Manorama Nayak, Mr. B. Padhi, Mr. Himangsu Sekhar Das, and Miss Shantipriya Mishra, for their constant help in various aspects.

I thank to my parents and wife for their co-operation and sacrifices during the course of this research work.

I also thank to Mr. M.N.C. Pillai for his diligence and patience in typing the thesis and to the photographer,
artist and pressmen for their co-operation.

This research work has carried out during my tenure as Lecturer in Post-Graduate Zoology Department of G.M. College, Sambalpur from 1978 to 1982.

Date 22/6/82

Laxmidhar Nayak
(L. D. NAYAK)
Lecturer in Zoology,
G.M. College, Sambalpur-768004,
(Orissa), India.
