

P. K. GUPTA  
Reader in Genetics

Botany Department  
Meerut University,  
Meerut.

CERTIFICATE

This is to certify that the thesis entitled "Biosystematic studies in the genus Setaria Beauv." is the record of bona fide research carried by Shri Ran Vijai Singh under my supervision. I further testify that all the data presented in this dissertation are based on his own observations and no portion thereof has been used in any other thesis for a diploma or a degree. The assistance and help rendered during the course of investigation have duly been acknowledged.
