O Ocean of luminosity,
O Glorious Infinity of Light,
The King of kings! Thanks to Whom,
The realms of Pind, And, Brahmanda and Sachkhanda
repose,
In such great love and such great devotion,
These carols, dancing double to measures of infinite velocity,
Pray forgive my audacity to attempt to measure the Immeasurable.
I beg for forgiveness, forgiveness and forgiveness my Lord!

O Lord of Lords, O Almighty God of Gods,
O Saint Emperor, O Merciful to the lowly and the humble,
O Purer than the purest, O Sea of light and refulgence,
O Protector of my soul, O Reservoir of love,
O Supreme Giver, Father and Mother of creation,
This Thesis is prostrated in Thy Lotus Feet
This thesis is dedicated in Thy Lotus Feet!
I weep, cry, and pray, O Prop of my life,
Give me the power O Lord,
Grant me true humility and the love,
Make me fit O Father
To make this humble dedication in Thy Lotus Feet!
