ACKNOWLEDGEMENTS

Words seems insufficient to express my deep sense of gratitude to my esteemed and beloved guide Dr. S. VIDYADHARA, Professor and Principal, Chebrolu Hanumaiah Institute of Pharmaceutical Sciences, Guntur, Andhra Pradesh, India. His valuable guidance helped me to achieve my dream and task. I humbly thank and acknowledge him for his continuous encouragement, inspiration, valuable advice and kind cooperation which motivated me towards my thesis work and I hope he will guide me throughout my life.

I take this opportunity to express my gratitude and respect to my Teacher and Mentor Dr. Y.S. AGASIMUNDIN, Professor, P.G. Department of Pharmaceutical Chemistry, S.C.S. College of Pharmacy, Harapanahalli for his valuable guidance & timely suggestions. He was a continuous source of inspiration for me throughout the period of my studies, I wholeheartly thank him for all the help.

I express my sincere thanks to my teachers Dr. P. M. Gaikwad, Director Padmashree Dr. Vithalrao Vikhe Patil Foundation Ahmednagar and Dr. P. Y. Pawar, Principal Padmashree Dr. Vithalrao Vikhe Patil Foundation’s College of Pharmacy Ahmednagar for their constant encouragement and creating scientific awareness in me. I also thankful to Dr. Patil R. N. Principal, S. V. P. M’s College of Pharmacy Baramati for his help during my research work. I express my sincere thanks to Management Padmashree Dr. Vithalrao Vikhe Patil Foundation Ahmednagar, Management, S. V. P. M., Baramati, Pune and Management, Chebrolu Hanumaiah Institute of Pharmaceutical Sciences, Guntur, Andhra Pradesh, India for providing facilities during my research work. I am thankful for Prof. Suryanarayan Raju for his help.
I sincerely thank to Dr. R. L. Sawant and Dr. S. Z. Chemate for their support during my research work.

I am thankful to Pune University, Pune for providing financial assistance under the scheme BCUD Research Project and Department of Chemistry, Pune University, Pune for providing the spectra.

I am gratefully acknowledge Dr. Taur Dnyaneshwar, Mr. Bandal Rajendra, Mr. Pagar Hemant, Mr. Bhagat Babasaheb, Mr. Hapse Sandip for their help during my research work. Acknowledgements are due to faculty members and the non–teaching staff members of P. D. V. V. P. F’s College of Pharmacy Ahmednagar.

Without the support, encouragement and love of my family, I would have never been what I am. Thank you Dada, Akka, Sandeep, Bebi, Durga, Shubhangi, Aarti, Om and Rekha. My special thanks to Nana, Nani, Sachin and Sharad.

Balasaheb Y. Mane
