ACKNOWLEDGEMENT

I would like to express my deep sense of gratitude to my Ph.D Supervisor Dr. K.C. Panda for his invaluable and excellent supervision, constant encouragement and critical discussions throughout the research programme and during the preparation of this manuscript. His constant inspiration and friendly guidance at every stage of this work is duly appreciated. It is indeed a great pleasure to be associated with him.

I take this opportunity to acknowledge my gratefulness to Prof. Surya Pratap Mehrotra, Director, NML for going through the Synopsis and permit me to present the same in OLP Project meeting and finally allowed me to carry out my Ph.D work for making Scientometric profile of NML.

I also extend my gratitude to Dr.N.G.Goswami (Scientist "G" and Head, IMDC, NML) for his valuable advice and inspiration to pursue this investigation. In fact, it is difficult to express in words the help, the constructive ideas and criticisms that I have received through his logical and convincingly critical discussions during the period of my research.

I also extend my gratitude to Miss V.G.Hebalkar, Ex Scientific Officer (Library), Nuclear Power Corporation, Department of Atomic Energy, Mumbai for her valuable suggestions and guidance, particularly in selecting Bibliometric parameters for analysing the publications data.

I wish to record my special thanks to Dr Swapan Kumar Das, Sri D.K.Basu, Sri J.Pal, Dr J. Swaminathan, Shri M.M.Humne, Dr. DDNSingh, Dr. Ratnsakar Singh, Dr A.B.Bhattmishra, and Dr Venkateswarlu (all Scientist) and Jitu
Mahapatra, Research Scholar for their valuable suggestions during my research.

The moral support received from Dr. A. N. Mishra, Scientific Office, Jharkhand State Geological Laboratory and Sri S.N. Mishra, Scientific Officer (Library), National Informatics Centre, New Delhi helped me immensely during the period of my research.

It is my privilege to thank Sri S.N. Hembram, Sri A.K. Sahoo, (Technical Officer) Sri G. Shallendra Kumar, Sri Gurnek Singh, Sri S.S. Mohanty, Sri S.N. Dhar and Sri Goutam Baneejee, Shri Paras Nath, Miss Shova Dutta and Late (Mrs) Amita Dhwan who extended their technical expertise and support in my research.

I express my profound gratitude to my father, Late Prof. B.P. Mishra, (USA, Fellow) Ex University Librarian and Director, Institute of Library & Information Science, Patna University, Patna and mother Late Urmila Devi, Whose inspiration and guidance helped me to reached at this stage.

At last, I would like to express to special thanks to my wife Mrs. Ratna Mishra and daughter Akriti Mishra for love, patience, sacrifices and their motivational sprit, which helped me to execute the research successfully and, thereby fulfilled their wishes to my higher academic degree. I am forever indebted to all of them.
