

ACKNOWLEDGEMENT

I would like to express my deep sense of gratitude to my revered guide, Prof. K.C. Panda, Head, P.G. Department of Library and Information Science of this University for his dedication to reflective inquiry and his unfailing encouragement in endeavors towards writing this thesis. His constant and regular guidance, inspiration, and valuable suggestions from time to time could finally bring this work to light. I am really indebted to him who not only incorporated several new ideas but also took pain to edit the script extensively in shaping the works in order.

I owe my extreme gratitude to Dr. B. Maharana, Sr. Lecturer of this Department for his kind help and encouragement from time to time.

I express my deep sense of regards to my parents for their blessings, love, affection and encouragement throughout the work.

I am very much thankful to Mr. Dhruva Kumar Sahu, Lecturer, V.S.S. Institute of Science, Sambalpur for extending his whole hearted cooperation during the statistical applications to this study.

My sincere acknowledgements to the Librarians/Asst. Librarians of Engineering and Management Institutions of Orissa for their kind cooperation for providing relevant data for the above study.

I wish to cast due thanks to Sri Kamalendu Mendali who has taken much pain to computerize this thesis well in time.

Finally, my special thanks go to all my friends/colleagues who encouraged and helped me all along various ways this thesis was being written.
