

LIST OF FIGURES

Figure#	Title of the Figure	Page No.
Fig. 2.1	Growth of Engineering Education in India since 1947	46
Fig.2.2	Growth of Management Education in India since 1962	69
Fig.4.1	Sample Responses among Librarians	116
Fig. 4.2	Sample Responses among Users	116
Fig. 4.3	Type of Internet Connectivity	119
Fig. 4.4	Type of Telephone Networks	119
Fig. 4.5	Availability of Internet Services to Users	122
Fig. 4.6	Category of Users	122
Fig. 4.7	Type of Internet Service Providers	125
Fig. 4.8	Provision of Passwords for Members	125
Fig. 4.9	Use of Operating Systems	128
Fig. 4.10	Use of Application Software	128
Fig. 4.11	Types of Browsers Used	129
Fig. 4.12	Preferred Search Engines of the Respondents	132
Fig. 4.13	Frequency of Internet Service Provided to Users	134
Fig. 4.14	Time Offered by the Library to its Users for Using Internet	134
Fig. 4.15	Purpose of Internet Connectivity in Libraries	136
Fig. 4.16	Type of Search Strategies Employed by the Users	139
Fig. 4.17	Users Demand on Internet-based Services from the Library	141
Fig. 4.18	Librarian's Response on Adequacy of Internet Browsing facilities in the Library	144
Fig. 4.19	Benefits of Internet over Conventional Documents	148
Fig. 4.20	Role of Internet in Scholarly Information Seeking	151
Fig. 4.21	Protection of Unauthorized Users from Prohibited Internet Sites	154
Fig.4.22	Feeling with Internet in Regard to the Replacement of the Traditional Libraries	155
Fig. 4.23	Frequency of Using Institute Library	159
Fig. 4.24	Rating of Library Services	160
Fig. 4.25	Importance of Internet in Library Services	164
Fig. 4.26	Adequacy of Internet Services to Fulfillment Information Needs	165

Fig. 4.27	Influential Role of Internet in Library Services	165
Fig. 4.28	Frequency of Using Internet in Libraries	167
Fig. 4.29	Place of Using Internet	169
Fig. 4.30	Benefits Derived From Net Browsing	172
Fig. 4.31	Need of Internet/Web-based in Research	173
Fig. 4.32	User's satisfaction on Availability of Research/Study Related Journal Articles	177
Fig. 4.33	Response Regarding Performance of Search Engine	181
Fig. 4.34	Response Regarding Problems Faced by Adequacy of Information on Search Engines	181
Fig. 4.35	Response Regarding Importance of Virus Protection on Search Engine	182
Fig. 4.36	Response Regarding Expectation in the Development of Search Engines	182
Fig. 4.37	Response Regarding Authenticity of Web-based Information	184
Fig. 4.38	Response Regarding Importance of E-mail	185
Fig. 4.39	Popularity of Web-based Information Vrs. Printed Materials	186
Fig. 4.40	User's View on the Development of Library's Net Service	188
